BITS and PIECES

ASSHOLE OF THE MONTH

Howard Stern, you are a mouth-breathing bitch. You are a jealous, insecure, pussywhipped coward and a sucker of celebrity ass. You are a bullying, bloviating, stringy length of chickenshit who squats on his pimpled haunches, wheedling like an old hag bitching that the world never does enough to kiss her ass. You are a backstabbing hunchback, a less-than man with a life half lived. You are HUSTLER's June 1997 Asshole of the Month.

To quote Howard Stern: "I was watching Charlie Rose yesterday, and Gloria Steinem was on, and she said Larry Flynt never was even a First Amendment guy. He put out a cartoon. Jerry Falwell or somebody tried to sue him or something, and that was his big First Amendment issue. You know what I mean?"

Howard means that he has the integrity of a used tampon. Flynt's "cartoon" for which "Jerry Falwell or somebody tried to sue him or something" led to a Supreme Court victory that saved the right of smut peddlers and smut-radio bitches alike to goof on public figures.

In years past, before he secured his lips to the hind tit of Hollywood, Stern savagely mocked every half-bit celebrity who blundered onto the national radar. Did he wonder why none of his high-profile victims sued? Because Larry Flynt spent more than a million of his own dollars to win *Falwell v. Flynt* and guarantee Stern's safety.

"Who wants to hear about the First Amendment?" prattles Stern. "I could have gone that way with my movie [*Private Parts*]. If anybody's a

poster boy for the First Amendment, I mean, not to toot my own horn, I'm in a battle with the government now. One point seven million [in fines] for making some comments. But, in my movie, I'm not even trying to glorify myself like that."

Howard battles the FCC with Infinity Broadcasting's money. The costs don't sap his estimated \$12.5 million annual gross. Howard doesn't pay fines for "comments," he hasn't spent months in prison for refusing to disclose journalistic sources, he hasn't taken a bullet. Stern fights for free speech like the Vichy French fought the Nazis.

Stern spouts more Gloria: "[Steinem] said they [the producers of *The People vs. Larry Flynt*] are

glorifying a guy who basically would just show pictures of mutilated women. She said, because he mutilated women, they're glorifying him. I know what she's talking about. They rewrote history."

To say that HUSTLER mutilates women is comparable to saying that Howard's Butt Bongo is rape and murder, a contention that may yet slither from the lips of Steinem.

We know why Stern parrots a woman who would lock him in the same cell as Larry Flynt.

Vanity Fair asked Stern, "What is it that you most dislike?"

"Anytime anyone besides me is successful," he answered.

"I really wanted to do a movie of substance," said Stern in *Movieline*.

The People vs. Larry Flynt garnered two Academy Award nominations, two Golden Globe awards and a New York Film Critics award.

No substantial accolades will be considered for *Private Parts*.

As for rewriting history, *Private Parts* should be screened with a rebuttal reel to explain why Howard Stern's history went through so many scripts, known as rewrites.

Stern's befuddled rationale for dismissing Larry Flynt? "He took some pictures of some vage. Screw him. Who cares what he has to say? I don't care about Larry Flynt and his vage magazine."

Taking the vage out of Howard's show would be like banning blacks from the NBA. What is the most interesting of all *Private Parts*? Vage. What has Larry Flynt enjoyed a plethora of in his life, while Stern has been obsessively deprived? Vage again. Who's a vage? Stern.

"I'm not a big HUSTLER guy," avers vaginally impaired Stern. "They do some weird stuff in there. That's not my scene."

Chuckleheads who screw dogs, incest lovers, a father attempting to identify a photograph of his daughter's vage: these are normal in Stern's radio scene. When he's at home, Stern has a documented penchant for Japanese porn video that humiliates women with their own feces. Nothing weird about that.

Howard Stern's movie may make more dollars than his nose can hold. He may become the richest douche on Long Island; he's still an all-sphincter, no-backbone hypocrite, a two-faced bitch and a pure Asshole.

NYPD Blue: A plotline in the February 11th episode of this ABC violence-and-sex series was titled "Porn to Be Bad." The segment deals with a sex criminal who mutilates and murders a blonde. The sex killer is depicted as an obsessive jackoff who whimpers during interrogation, "There's nothin' wrong with pornography." A TV cop, voicing

Fart in the Wind

the morality of *NYPD Blue*, coats his throat with sleazy sarcasm and replies: "Well, they just made a whole movie about that, right? Larry Flynt. He's a big hero."

The shock drama goes on to imply a causal effect between pictures of naked women and a small-dicked psycho slicing a real woman to pieces. If such a link

exists between visual entertainment and aberrant criminal behavior, then *NYPD Blue* is grossly irresponsible in broadcasting many of the most prurient and graphically violent images to be seen on television. If such a causal link is only the figment of censor-minded fanatics, then *NYPD Blue* is guilty of being complete two-faced Assholes.

Gloria Steinem's Bump and Grind

Feminist fossil Gloria Steinem and Larry Flynt have a love/hate relationship: She blathers about hating Larry, and he loves the publicity. Gloria's latest free-lance press release was an editorial for the *New York Times*, asking, "Suppose Flynt specialized in such images as...a nude white man being fed into a meat grinder. Would Oliver Stone...flatter that kind of man too?"

Here's another puzzler, Gloria: What man, falling for the lure of free pussy, has not been through a meat grinder—and enjoyed it?

Waiting to Inhale

During the 1996 elections, California and Arizona approved initiatives that allow medicinal marijuana use. Bill Clinton wants to make those votes go up in smoke. The Prez announced he will bogart the joints of cancer and glaucoma patients by approving stricter antidrug policies. Will "Billabong" Clinton, an admitted pot puffer, outlaw other questionable activities, the dangers of which he is acutely aware?

“THIS AM THE BOOK WHAT DONE CHANGED MY LIFE”

—Donald Peckerwood,
Author of *All I Needs to Know I Learned in Ebonics*

Six months ago, Donald Peckerwood was just another cracker from the ofay side of town. He worked as a real-estate agent, enjoyed the music of Bob Seger and dozed off each night after flipping between Letterman and *Nightline*. Then something happened in the city of Oakland, California—something dope, fresh and mackadocious. Something that would transform Peckerwood into the mutha-fuckin’ straight-up G pictured here.

The Oakland school board passed a resolution to teach Ebonics—or “Black English”—as a second language. Immediately, Peckerwood hit upon a bomb-ass idea: Why slog through an Ebonics course, learning to conjugate verbs such as “to be” into “I be,” when there are only three key phrases a jive honkie needs to know? With a grasp of these three key phrases, Peckerwood reasoned, the inner-city jungles can be a pale-bellied redneck’s playground. Watch your life become Kwanzaa in July after mastering the Ebonic translations of these simple sentences:

ENGLISH

“Will you accept \$40 to provide me with oral favors?”

“May I please share your crack pipe?”

“I’d like a shoeshine, sir.”

EBONICS

“Beeeyitch, suck my bozack!”

“Take two and pass, nigga!”

“Buff those biscuits befo’ I wax yo’ ass like Rain Dance, you no-neck, insecure, rat-soup-eatin’ muthafucka!”

Order *All I Needs to Know I Learned in Ebonics*, the first volume of the Donald Peckerwood Liberry, today and receive a free, bonus volume that will teach you how to drink malt liquor without vomiting. Send \$49.95 today and allow 4 to 6 years for delivery. Them mail-room mofos be lazy as shit, black, word is bond. Hurry, and you’ll even understand that last sentence!

COOKING ON AL BY AL GOLDSTEIN

Who is Al Goldstein? He's the alleged publisher of a cruddy, black-and-white porn rag named *Screw*—alleged because no one's heard of *Screw*, let alone purchased a copy. Hell, there's never even been a major motion picture based on Al Goldstein's life!

Al may be a fat washout of a human being, but there's one thing his nongoyish girth is good for: cooking. Goldstein's voluminous body generates twice the heat of a conventional oven, which makes Al's flab the perfect shake-and-bake surface for creative chefs of greasy, fat-slob food.

Check out these excerpts from the forthcoming cooking on Goldstein cookbook, and remember...if Hitler had used Al at Auschwitz, there would be far less raw Jews today.

HAIRY-PIT HERRING

- 3 herrings
- 1/2 cup malt vinegar
- 1 bottle vegetable oil

Remove herring heads and store them in fat folds of lower back. Season underarm with vinegar; distribute herring within armpit and bake for 30 minutes, or when steam and sweat become visible. Swallow the heads whole, washed down with bottle of vegetable oil as chaser.

CORN CHEEK TO CHEEK

- 1 corncob
- Roll of tinfoil

Wash corn thoroughly. Wrap length of cob in foil. Shove as many cobs as possible up Al's ass for two hours. Eat foil.

SHISH KEBOOBS

- 1/4 pound cubed beef
- 1 green pepper
- 2 small onions
- 1 tub butter-flavor shortening

Chop pepper and onions into bite-size portions; stick on spears with cubed beef. Place one spear under each of Al's breasts. Allow simmering for at least 45 minutes; eat tub of shortening in the meanwhile.

THE BACON MEDALLION

- 2 pounds bacon
- 1 pound bacon fat
- 3 bags Oreo cookies
- 1 tub of lard

Smear bacon fat around circumference of Al's neck (approximate, if neck is too difficult to find). Arrange bacon strips evenly among flab; bunch up fat so heat will cause meat to brown and sizzle. Dunk Oreos in glass of lard instead of milk.

DUCK À LA AL (MARINATED IN THE GOLDSTEIN GLAZE)

- 1 live duck
- 2 garlic cloves
- 1 pound bread stuffing
- 3 gallons olive oil
- 1 cup chicken broth

Place duck between Al's legs; smother to death in fat. Chop garlic cloves and place under Al's armpits in lieu of deodorant; gargle olive oil. Collect crotch-slime drippings in large pan with chicken broth and squeezed lemons. Baste duck until greenish, then press between legs for additional 15 minutes. Eat large pan. Stuff bread crumbs up ass for extra-full feeling.

FEED BACK

Sticky Fingers

I've been reading HUSTLER for years, but I've never felt compelled to write until now. I was leafing through your February '97 issue when I came across the layout *Emily: Candy Ass*. I could not believe my eyes. Here was what I've been waiting for—blatant, in-your-face, up-close-and-personal penetration. This wasn't the marginal penetration I was used to. This was deep! Her fingers almost disappeared! I high-fived myself, got up and did a little dance, bowed down in reverence to the best damned magazine in the world and immediately wrote this letter. I'm sure it's been said many times, but you guys rock!

—J. S.

Fort Wayne, Indiana

Hard Words

As a man who suffers from priapism and who's been to the hospital for it several times, I took a special interest in your article *Hard-Luck Hard-on: Priapism's Stiff Penalty* (*Sex Play*, March '97). I can tell you firsthand that the malady is not always the side effect of drugs. Sometimes it just occurs. In the February '97 *Coming Next Month*, you refer to it as "a betrayer's dagger," which is about as accurate a description as I've ever heard. However, I have found a remedy: jogging. A 20- to 30-minute run nearly always brings my erection down. Once you get the heart pumping, you can feel yourself getting looser, and relief is soon to follow. If it helps just one person, this letter is worth it. Keep up the good work.

—C. W.

Fort Lauderdale, Florida

We will, C. W., and you keep it down. Even those of us who don't suffer from priapism know how much trouble a hard-on can lead to.

Hillary: First Lay

I just read the article on Larry Flynt in *Globe*, where he says he would like to publish nude shots of Hillary Clinton. HUSTLER is famous for showing Jackie O. nude, and I can't think of a better way

of viewing a First Lady. I jerk off at the Jackie O. shots, and it would be like finding gold to see Hillary nude. Forget Pamela Anderson; I want to jerk off to Hillary's behind! Meanwhile, HUSTLER readers with a Hillary fetish should look for shots of her in that black Oscar de la Renta dress which shows her bare chest and surprisingly large breasts, and also

anything showing her fat, shapely behind. Just watch news clips of her walking—her rear does wiggle! I hope someday HUSTLER can give us a real inaugural event by publishing nude photos of Hillary along with guys' fantasy letters. I've sent her some of mine!

It should cheer the First Honey to know that many loyal Americans believe she sucks better dick than Paula Jones. We salute all who would proudly plant their flag on the capitol Hill's rotunda.

Beaver of the Year

I just got my March '97 issue with *Sissy: Beautiful Bouquet*, your gorgeous 1997 *Beaver Hunt* Finalist #1. This got me wondering: When do we get to see the '96 winner? Hopefully, it's Felecia (*Felecia: One Up*, 1996 *Beaver Hunt* Grand Prize Finalist #1, February '96).

FEEDBACK

(continued from page 11)

Do you urinate and make bowel movement when you model nude? Could you send me a picture of you on the toilet with a big dildo up your vagina? Could you send me the address of the HUSTLER photo studio and where it is located? How do you make bowel movement out of that little hole in your rectum? Do you use enemas? I would like to pose nude with you. Why do you sit on the toilet to urinate and make bowel movement? How many minutes does it take you on the toilet? And why do you wipe your rectum with toilet paper? —J. S.

Minneapolis, Minnesota

Ah, little one, so full of wonder, those holes are a great and deep mystery. Now finish all your medicine and go to sleep. If you're good, when you wake up, there will be a surprise in your diaper.

Hail Larry, Full of Grace

I am 80 years young and, believe it or not, I never heard about Larry Flynt. My wife and I go to see the new pictures of the week, and after I saw *The People vs. Larry Flynt*, I told my wife, "This guy

has the balls and the money to do it." You are a guy after my own heart, because I got the balls, but not the money. I said to her, "This picture should get an Academy Reward. This guy tells it like it is, just as I do all the time to you." She told me that the picture was about a real person; so I bought a copy of HUSTLER. It didn't shock me at all. After all, a guy my age has seen the light, by God, Jesus and Mother Mary. What impressed me most was the cover of the March '97 issue showing Woody Harrelson looking like Jesus. If I had the money, I'd erect a statue like that where the Hollywood sign is, in memory of all the people who died believing in Jesus. God bless you. —P. M.

Long Branch, New Jersey

It's the faith of souls like you that sustains us in our crusade. As for the Oscars, we believe that virtue is its own reward.

Hard Corps Fan

I would like to say thanks for helping all of us poor souls stationed overseas. I have read your mag for my past ten years of Marine Corps service. Keep showing the beautiful hometown girls so we know they're still out there for us. I have a

question concerning something I read in the October '96 *Feedback*. Someone asked about finding videos, and you told them to get HUSTLER EROTIC VIDEO GUIDE at their local newsstand. Well, I don't have a newsstand. I have a PX/BX. Need I say more? —C. C.

Okinawa, Japan

HUSTLER EROTIC VIDEO GUIDE can be ordered by writing to P.O. Box 474, Mt. Morris, IL 61054 or by calling 815-734-1142. And, as always, homesick servicemen can count on HUSTLER to keep looking for a few great Beavers.

Grin and Bare It

Larry Flynt was right when he said on *The Jerry Springer Show* that people should mind their own business as to what others do in their own backyard. I'm a young, female nudist, and sometimes people don't understand me either. I've always wanted to model; so I've enclosed pictures of me. Let me know if I have potential. Never give up what you do. —C. A.

South Bend, Indiana

We never will, as long as lovely nudists like yourself need our understanding. Why not see page 118 for details on entering Beaver Hunt? We'd love to see more of you, and so would the Marines.

Equal Payback

I read your article *Scenes From the Class War: Who Owns the U.S.?* (September '96). I think it is unjust, ungodly and downright cruel that corporations boost their income by laying off workers. All those laid off that can't obtain a job have to resort to crime and violence to survive. I suggest that the American people make laws that require the heads of all corporations to be equally responsible for crimes committed by those they fired. That means, if someone laid off by a company commits murder, and the death penalty is issued, that same punishment should be affixed to that head. —J. B.

Leavenworth, Kansas

Does it also mean that if a man's wife won't blow him, and he gets arrested for soliciting a prostitute, his wife will go to jail?

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a phone number if you want your letter considered for publication.

SEXHIBITION 3: Frank Gun meat-packs Christina Bower.

SEXHIBITION 3: Tamir spreads colors for masked freedom fuckers.

SEXHIBITION 3: Sleek fingers Temple's greased gash.

SexHibition 3

FULLY ERECT

Directed by Kris Kramski; starring Adriana, Hedvig Kaser, Sharon Temple, Dianne Sleek, Christina Bower, Ramel, Tamir, Angela Ambrus, Sophia Rio, Frank Gun, Michael Reznick and John Walton. Videocassette: Sunshine Films Inc.

Exhibit A in *SexHibition 3* is Christina Bower, a fine-boned feline with long limbs, full, natural tits and moody, Eastern European features. Vermilion-lipped, raven-haired Christina parades her high-riding ass through racks of raw beef in a meat-packing plant until two butchers drop their cleavers and cleave her with shanks of sir-loin atop a slippery bovine carcass. By the time tube steak enters her butt cinch, lovely Christina's torso is spattered with drops of dead-animal blood, soon to be mixed with jism sputterings from two elated prongs. Disgusting? Yes, but the broad is hot as hell, just like the rest of the fresh-faced, soft-mammaged gash on display: An undoctored Pamela Lee clone performs an extended striptease before a dong interrupts to pack her mons and spray her pout with goo; a bob-cut blonde shaves her snatch, then plugs her ass with the razor; and a tiny-top brunette accepts a hammer in her stool box, spreading the lips of her throbbing pussy for a monster close-up. Shot on film and digital video, imaginatively capturing the carnal lust of eye-candy cooze, *SexHibition 3* presents more than enough evidence to ensure a Fully Erect verdict from the yanking jury.

Adult Video News

Winners Gather With Losers in Las Vegas

Anyone seeking to wipe out smut in America could have succeeded on January 11, 1997, by dropping a bomb on the Las Vegas Riviera Hotel, where more than 2,000 sleaze peddlers and performers, virtually the entire XXX industry, gathered for the 14th annual *Adult Video News* (AVN) Awards. Although no bombs were in evidence—other than some of

the nominated videos—long-winded speeches from several award winners threatened to bore everyone to death.

Not even former child star Scotty Schwartz, now bottoming out with a career in porn, could live the crowd up with his song-and-dance rendition of "Thank Heaven for Grown-up Girls," followed by the "Do the Cockoranal."

Since AVN is a trade publication paid for substantially by advertisements from the same adult-video companies it bestows awards upon, the critical value of such honors is subject to debate. As the opinionated owner of one adult-video company put it from his \$1,000 table during the show, "The AVN awards are a joke, and AVN's rankings and sales figures are a sham. They've printed video-sales figures that I know are bullshit, because my company was the one selling those videos. Take out enough ads in AVN, you'll get an award tonight. That's how full of shit this whole deal is."

In response to that allegation, AVN Editor Gene Ross fumed, "That's a crock of shit. If we accepted the graft we're accused of accepting, I wouldn't be working at my desk five days a week like a total moron."

VCA's *Shock* won Best Shot-on-Video Feature, and Vivid's *Bobby Sox* won Best Film. Porn tart Nena Cherry won HUSTLER's award for Outstanding Performance at a Post-Awards-Show Party by entertaining guests with an artistically choreographed striptease that culminated in her sliding a beer bottle nearly all the way up her clam.

Shills tout the AVN Awards as the "Oscars of porn," but most Hollywood movie starlets wouldn't know how to have fun with a beer bottle if it hit them in the face.

Scotty Schwartz admires Christi Lake's trophy-winning twat.

Screwed

TOTALLY LIMP AND VERY SMALL

Directed by Alex Crawford; starring Al Goldstein, Manny Neuhaus, Ron Jeremy, Leena, Vixxen, Teri Diver, Mike Horner and Nicole London. Videocassette: Headlock Films.

Within the first five minutes of *Screwed*, an art-house documentary devoted to morbidly obese smut peddler Al Goldstein, Goldstein unsuccessfully propositions a porn star, delivers an unfunny rant about marriage and drops pompous references to Descartes between phlegmy coughs. Goldstein has milked that same schtick dry as publisher of *Screw* magazine; yet some film-school fuck chose to follow around His Corpulence for an hour and a half of grainy, 16-millimeter footage. The result is a depressing headache released to ride the coat-tails of a certain Hollywood epic—the one about a pornographer who actually accomplishes everything Goldstein takes credit for. What a suitable contrast *Screwed* provides to *The People vs. Larry Flynt*: One is a thoughtful, moving, big-budget film rife with humor and pathos; the other features an extended sequence of Al Goldstein and Ron Jeremy downing chili dogs. *Screwed* does contain a few minutes of hard-core footage; whacker viewers would do better to wait for *Larry Flynt*'s video release and freeze-frame the scene where Courtney Love's bush is visible.

Pleasureland

ONE-QUARTER ERECT

Directed by Jim Enright; starring Nikki Tyler, Lexus Locklear, Laura Palmer, Celine Deavoux, Steven St. Croix, Peter North, Bobby Vitale and T. T. Boy. Videocassette: Vivid.

"You are now entering the land of Pleasure," reads the box copy of Vivid's latest release, intoning, "[y]our visa is your heart." Good thing, because your cock's not crossing any borders during *Pleasureland*, a five-scene queef burped out by vart-video oracle Jim Enright, whose directorial talent for neutralizing the wad-coaxing

effects of hot fucking pussy is unequaled in the XXX industry. Nikki Tyler and Lexus Locklear are the baseball-boobed, muscle-butt headliners held hostage to a limp script, bad lighting and prong-softening camera work. Heralding his stars as "Penthouse Pets," puss-wind Enright succeeds in reproducing the Bob Guccione visual formula: Take chicks with nice tits, pussies and asses and present them in a fag-glam, cable-for-couples package that is difficult to jack off to. Only Tyler's bitch snarl and bouncing bubble hind save *Pleasureland* from a Totally Limp travel advisory.

—R. C.

Diva

THREE-QUARTERS ERECT

Directed by Michael Ninn; starring Juli Ashton, Taren Steele, Kim Kataine, Vicka, Laura Palmer, Sindee Cox, Jeanna Fine, Lauren Montgomery, Anna Malle, Monique De Moan and Misty Rain. Videocassette: VCA.

Diva presents its all-lesbian cast in a variety of soft-focus, hard-core combinations unadorned with dialogue. Monique De Moan's genitalia fill the screen, pink and undulating like an exotic sea creature speared on Misty Rain's fingers. As Rain and De Moan wriggle slit to slit, Juli Ashton looks on, fondling her bitch, Taren Steele, a kitty-cat brunette in saddle shoes and thick-cotton school-girl panties. Ashton tosses down Steele, butt up, and the ginches conspire to whip her heinie and drive a studded dildo into her poon until she squirts fake-looking amounts of female ejaculate. A brick alley echoes with creaking leather as Vicka masturbates in a crotchless, cowhide jumpsuit, then fucks Laura Palmer's face beneath her pile of big, blond hair. Sindee Cox, looking like sugar wrapped in cotton candy, swaps spit with Steele before humping a fuchsia phallus. Harsh and appealing Jeanna Fine dominates Anna Malle and Lauren Montgomery into committing deviant acts with her vagina. Aiming to be as slick as a perfume commercial, *Diva* sometimes only makes it to the level of a cheesy phone-sex ad, but that's good enough to keep a one-handed customer deeply satisfied.

I WANT IT ALL: Drake puts the squeeze on Hunter.

I Want It All

HALF
ERECT

Directed by Toni English; starring Heather Hunter, Monique De Moan, Miss Yasmine, Mister Marcus, Bobby Vitale and Steve Drake. Videocassette: Wave Video.

Tall, angled and lithe, Heather Hunter is a masterpiece of ass and the rare black XXX talent who stars on box covers that don't resort to *git mo' booty* Ebonics. *I Want It All* is presented as an upscale raunch entertainment, but the story is strictly ghetto. Hunter plays a slut who becomes a whore in order to finance a trip to Paris. Her first foray is into Mr. Marcus's pants, where she lands snoot-first and licking while Bobby Vitale crams her pierced, dusky cunt folds. Steve Drake says *oui* to laying his tongue on Hunter's chocolate turd rings, his cock in her twat and his wad on her kisser. An obligatory shower scene has Hunter masturbating in the suds before the action switches to the poon-licking antics of two whores, played by black Yasmine and white Monique De Moan. After paying lip service to interlabial race relations, the whores take on Drake, with De Moan receiving the honor of having her butt reamed. In the finale, a vice cop busts Hunter for being a 'ho, and she ends as another statistic in the saga of disproportionately high incarceration rates for blacks. In *I Want It All* there's lots of piece, but no justice.

—M. A.

DIVA: Palmer and Vicka make a tongue-and-groove joint.

SCREWED: Goldstein starring as the Fat-Slob Gourmet.

PLEASURELAND: Tyler and Locklear wash the sperm out of their assholes.

Attention, Sluts!

Max Hardcore Wants to Make You a Star

Are You Dumb Enough to Have What It Takes?

During the second weekend in January, when the adult-video industry descended on Las Vegas for the annual porn convention known officially as the Consumer Electronics Show (CES), Max Hardcore took time out from meeting his fans to blaze ahead with work on his *Max World* series. In his own words, Hardcore details the hectic life of a XXX auteur, star and Svengali to ignorant sluts.

"Have you ever seen a girl get throat-fucked so deep, her eyes bulge? How about an asshole dilated so wide by repeated ass reamings, you could drop a golf ball in it?"

"They call me Max Hardcore, and I get young ladies to do the most disgusting acts you can imagine. I go to

the convention in Las Vegas to say hello to my fans and to meet new chicks who want to get into porn. Fresh meat is what it's all about, new cunts too stupid to know better.

"I was signing for my fans at my booth when a new girl walked by dressed like the perfect Gap slut. She was there with her uncle from an electronics company, and as soon as she got away from him, I gave her my patented spiel about glamour, adventure, excitement and all that shit.

"I got her into the van with my crew, and we head out into the desert for a 'photo shoot.' I always tell a new cunt we're just going to take a few pictures at first, because I don't want to scare her. I know from experience that once I get the cameras rolling, I can usually get her to do anything I want.

"I showed this one what it takes to be popular in the porn biz by unzipping my fly and tonsil-surfing in her pretty little mouth. I fucked her face a little too deep and got her lunch all over my lap. After we cleaned up the mishap, I laid some serious pipe on this slut and opened up her asshole like a chimney. I'm alternately fucking her face and her ass, and she acts like it's completely normal. It never fails to amaze me.

"After busting my nuts on her chops, the little cunt blew bubbles with my splooge for the final pictures.

"Then the silly slut asks me if she did 'okay.'

"I look forward to meeting my fans next year at the CES, but if anyone's planning to attend with a cute niece or girlfriend, I advise you to keep close tabs on her whereabouts. I will."

Hardcore reams *Tori* to stardom.

Hardcore teaches *Kinji* the ancient art of face fucking.

Filthy First Timers #2

THREE-QUARTERS ERECT

Directed by Van Damage; starring Drew Morgan, Lil Bit, Pandora, Lauren Tracy, Alexx Knight, Samantha, Van Damage, Marc Wallace, Dean Speede, Sonny Bondero and Mark Cordone. Videocassette: Elegant Angel.

Yet another player in competition for the Buttman mantle of preeminent porn-verité practitioner, cherubic frat boy Van Damage is an unlikely sleaze artiste, looking like a Cornhusker lineman with an ape-drape haircut. Nevertheless, the big ox succeeds in tracking down ass-open, scum-receptive talent that submits happily to any greasy degradation that Damage and his buddies dream up. The formula is familiar: Mook meets squack on street and invites her to photo shoot. Squack bares poon without much prodding; a steady progression from blowjob to nut facial ensues. The highlight is a shorthair blonde with tight nips and a rosy clam who diddles herself with a dildo while a chubby checks into her tailpipe. While Damage regularly misses good entry shots, his camera is in spot for a double shot of goo to honey's exhausted, gape-mouthed visage. Six extended scenes follow, each video virgin performing filthy acts generally considered the domain of porn-slut veterans.

Takin' It to the Limit 9

HALF ERECT

Directed by Bionca; starring Summer Cummings, Skye Blue, Suzi Suzuki, Krista Maze, Roxanne Hall, Sweetie Pie, Solveig, Bionca, Sean Michaels, Mark Davis, Scott Styles, Julien St. Jox, John Decker and Bruce Seven. Videocassette: Exquisite Pleasures.

Some formulas, such as gasoline on fire, sparks on gunpowder and Bionca at the helm of another *Takin' It to the Limit* video, should guarantee explosive results, but sometimes even the most volatile combinations misfire. Breast behemoths Skye Blue and Summer

Cummings trot out for their trademark trained-lesbian act involving blindfolds, dildo face masks and rubbery rectal dongings. Such antics would play better if the cutting weren't so jerky and disjointed. Bruce Seven watches eerily from his wheelchair as Sean Michaels and Mark Davis ply Suzi Suzuki's poon and pooper with ebony and ivory pokers. Big jugged Sweetie Pie, silver rings gleaming on her fingers, nearly slips her entire fist up Roxanne Hall's greased butthole, paving the way for Scott Styles's shaft and the spurting finale he deposits on Hall's begging mouth. Julien St. Jox tops off sepia-toned Solveig's turd tank, and Hall appears for a morose tease dance, some partial fisting and a quick cornholing from husband John Decker. *Takin' It to the Limit 9* has all the makings of a bang, but it mostly fizzles. —M. A.

Daydreams, Nightdreams

THREE-QUARTERS ERECT

Directed by Bud Lee; starring Asia Carrera, Shayla La Veaux, Kylie Ireland, Jill Kelly, Mia Ciccerio, Missy, Juli Ashton, Steve Drake, Sean Rider, Mickey G., Alex Sanders and Randy West. Videocassette: VCA.

As competently done as a daytime soap, *Daydreams, Nightdreams* follows the ups and downs of divorce lawyers screwing their clients and friends. Sean Rider smears a load onto Kylie Ireland's rump cushion after sawing her sandy snatch on a desktop; Asia Carrera strips down to black, thigh-high lace to hump and hand-jack a fistful of spunk from Randy West; Mickey G. skewers Missy's sphincters on a couch while hardbodied Shayla La Veaux dreams of giving West a splashy hummer. La Veaux slips into another dream that involves her boss chained naked to a chair, Alex Sanders porking Carrera, Sean Rider sticking his dick into a pile of writhing sluts and an all-blonde, femme orgy featuring dildo double penetrations. The final dream features La Veaux, silky slit spread, in a cramming from Steve Drake that ends with his pong dribbling sauce into her clam fuzz. *Daydreams, Nightdreams* will keep you up.

—M. A.

DIRTY TAILS: Lee milks Cherry's mounds.

FILTHY FIRST TIMERS #2: Damage munches a slice of Knight's pie.

Dirty Tails

HALF
ERECT

Directed by Luc Wilder; starring Shawna Edwards, Roxanne Hall, Nena Cherry, Alexandra Silk, Ashley Renee, Abbey Lane, Joey Edwards, Matt Jade, Dave Hardman, Santino Lee and David Stone. Videocassette: Sin City.

Shawna Edwards is a lanky, longhaired brunette with perky, nature-filled knockers and legs that go all the way up beyond her ass. She generally works with her husband, Joey, who resembles old playboy Buddy Rose of the World Wrestling Federation. Shawna also has the name Joseph tattooed on her pudenda, making it even easier for the wanking viewer to garner the added thrill that he's sticking his schween into some poor mother-fucker's old lady. *Dirty Tails* not only provides the pleasure of getting some strange, but also the stranger sensation of watching the blank-eyed, flat-voiced Edwards try to read, which she does while introducing each of the five vignettes that make up the filthy collection. The best story features Brit ginch Roxanne Hall, who rarely allows a cock to have a crack at her cunt before she rushes the rod up into her sphincters and milks it with the rings. In another interlude, a jumpy penis rabbit-fucks the pie hole of racy Alexandra Silk and then hops into her snatch and runs out on her chin. A lesbo tussle and a multiracial banging later, and the marginally smutty tale has been told. —R. C.

Shocking Truth II

FULLY ERECT

Directed by Gregory Dark; starring Alex Dane, Missy, Sahara Sands, Brooke Ashley, Mila, Dalia, Star Chandler, Rick Masters, Tommy Gunn, Jeremy Steele, Paul Cox, Red, Claudio, Mickey G. and John West. Videocassette: Dark Works/Evil Angel.

For the second installment of his *Shocking Truth* series, director Greg Dark has cut down the length of his porn-slut interrogations both before and after each ball-blistering scene of bung drubs and cum-coated schtupping, all to a more wank-friendly and comedic effect. Anal-specialist Missy fantasizes about a "Roofies" date-rape scenario before she plops her giving holes on the pricks of two masked men who reward her with spermy face paint; French fuck queen Dalia, a brunet clam with a rounded ass and jiggling fun bags, reports that she "no like de dirty scenes," before she clamps her olive rectum around a hard chum stick; Mila, a tightly wound bottle blonde, claims she possesses talents beyond her professional fucking—she can also do "accounting and paperwork"—but here displays her primary function, allowing five hung mooks to train her caboose; and a clean-cooze, little Latina places her face underneath three gurgling schlongs for a feeding. Despite the corny devil-dominatrix character that momentarily wilts each scene, a Fully Erect rating for *Shocking Truth II* is no surprise. —R. C.

DAYDREAMS, NIGHTDREAMS: Ireland, Kelly and Ciccero pile onto Rider's prong.

TAKIN' IT TO THE LIMIT 9: Michaels, Davis and Maze ride on Suzuki.

SHOCKING TRUTH II: Mickey G. and Tommy Gunn mangle Missy.

Vivid Bloopers & Boners

ONE-QUARTER ERECT

Directed by uncredited; starring Janine, Jenteal, Chasey, Nikki Tyler, Anna Malle, Christy Canyon, Jill Kelly, Julianne James, Teri Diver, Tammi Ann, Nikki Brantz, Asia Carrera, Ginger Lynn, Melissa Hill, Tom Byron, Teri Weigel, J. Morgan, Joey Silvera, Vince Vouyer, Steven St. Croix, Bobby Vitale, Tony Tedeschi and Rocco Siffredi. Videocassette: Vivid Video.

Two of the most colorful bloopers inherent in the magic of porn filmmaking—sluts blowing chunks after getting cocks crammed too far down their throats and bitches' bowels spraying their contents from overly ambitious butt-fucking—are not to be seen on *Vivid Bloopers & Boners*. Yet, perhaps even more stomach-churning than a spewing butthole are the sights, as presented here, of Steven St. Croix's simian face, filmed to look alarmingly fat and greasy, as he belches, gulps food and entertains himself by shooting maraschino cherries from his nostrils. It is reported that Vivid recently fired St. Croix. Perhaps these vignettes are a parting gift to the shit-canned woodsman. Dialogue-heavy Vivid videos present ample opportunity to show fuck actresses flubbing lines. Such screwups are shown ad nauseam. More interesting are behind-the-scenes glimpses, such as the ball-licking blonde boredly plucking a pubic hair from her mouth as two dudes schtup her

SORORITY CHEERLEADERS: Deuce gives Sanders her best side.

at once, then squirming away when one takes aim at her sphincters. Even the *boing!* sound effects borrowed from TV blooper shows don't rescue *Vivid Bloopers & Boners* from the doldrums. —M.A.

Sorority Cheerleaders

THREE-QUARTERS ERECT

Directed by Jim Gunn; starring Kaitlyn Ashley, Tabitha Stevens, Sindee Cox, Sid Deuce, Vince Vouyer, Alex Sanders and Jay Ashley. Videocassette: Pleasure Productions.

Stuffing sluts into tight cheerleader outfits is a porn standard that only seems tired until the sluts start popping out of their costumes. Sure, the opening rah-rah dance performed by Kaitlyn Ashley, Tabitha Stevens and Sid Deuce is about as graceful as a soft-shoe performed by dancing

bears, but the moment amiably blond Ashley shows off her real talents by shedding her knit top and shaking her flesh pom-poms, cheerleader aficionados will take hard-on and beat a furious applause. Alex Sanders puts Ashley to perfect use, spreading her pink and puffy poon, plying her turd rings and satisfyingly unloading his dick on her smile. Glee-club lezzies Stevens and Cox lavish licks on each other's squirming tangs. The camera cuts to Sid Deuce's clownish coquette's face flinching with surprise as Sanders pries her legs apart and plows into her cunt. Vouyer is the next to take a crack at Deuce's split, leaving her at her prettiest—on her knees with strings of spunk dangling from parted lips. Jay Ashley and Sanders team up on Kaitlyn, taking turns on her mouth and snizz before pissing white all over her knockers. *Sorority Cheerleaders* will make solo ball players score big. —M.A.

HOT LETTERS

FINGER IN THE DYKE

I hate men. Don't get me wrong; I'm not some rabid feminist. For the most part, I can't stand women either. Except for Enid, my girlfriend (or "slave bitch," as she prefers to be described). She's the only woman I've ever met with C-plus hooters who likes truck pulls, hunting, fighting and fisting. The only woman other than me, of course.

But more about how much I hate men. Men are stupider and hairier than any orangutan. They smell worse too. Worst of all, most men are closet faggots—and you don't want to know how I feel about faggots. Christ, you men are pathetic!

I was making this point to Enid the other night at a lesbo dance club called the Fishin' Hole. Much to my disgust, Enid confessed that she craves cock once a month! That's right—every time my slave bitch menstruates, she dreams of plugging the flow with a stiff wang. I slipped behind her on the dance floor and gyrated my pelvis against Enid's shaking rump.

"Admit it," I growled into Enid's ear, sliding my hand under the waistband of her tight, vinyl pants. "No man could ever bring you off the way I do. Who are you planning to get it on with...Laughing Boy over there?" I waved my free hand in the general direction of the Hole's sole male denizen. He was a longhaired muscle mook who couldn't have been a day over 20, grooving to the techno music and trying to score with two very uninterested young cupcakes.

Enid's eyes lit up. I could only guess

what kind of devious plot she was hatching. I had a pretty good clue when I pulled out from diddling her clit and came up red-handed. *It's going to be a humpy night*, I thought.

Normally I don't mind when Enid flashes her large and luscious milk sacks, but this was an evening of exhibitionism with something extra. Mainly, the rod that was threatening to burst from the crotch of Laughing Boy's baggy pants as he crossed the dance floor, hypnotized by the way Enid pinched and squeezed her jugs.

I barked, "Listen up, macho man. It pains me to say this, but my girlfriend—"

"Slave bitch," Enid interrupted.

"Pardon me," I muttered, sliding the palms of my hands up Enid's flat stomach and onto her jiggling teats. "My *slave bitch* is in the mood to be porked, and it looks like you've been chosen as the surrogate stud."

Judging by the victory whoop he let out, you would have thought Laughing Boy just won the lottery. He jumped up and down like a big, dumb Neanderthal—which, let's face it, is what he was. The thought of accepting his sloppy member into my sacred womanhood was extremely unpleasant, but I told myself it would be no worse than a shot at the free clinic. I tried to keep up as Enid dragged her boy toy into the little-girls' room.

Fifteen minutes later, I was squatting nude over a toilet, sharing a deep soul kiss with Enid as Laughing Boy fell to his knees and tongued my cunt. Truth be told, he wasn't a bad cunnilinguist. There was a certain charm to his clumsy stabbing technique that had me sopping in no time. As Enid peeled off the rest of her skimpy clothes, I worked my mouth down from the valley of her breasts to that cute, flirty bellybutton.

Laughing Boy stepped up his maneuvers on my mound to include a few probing digits. A shudder went through my nude body. The kid was good! I actually had a difficult time focusing on my own oral administrations, even as the sharp, battery-acid flavor of Enid's womb walls shocked my taste buds. I decided to return the favor to Laughing Boy and allowed

him to take my seat on the throne. While he tried out his talents on quivering Enid, I bowed before the porcelain prince and swallowed his meat stick. His muff-muffled grunts escaped Enid's labes.

I guess sucking cock is like riding a bike, because I hadn't granted a blowjob in ten years. Yet Laughing Boy was grabbing my hair and grinding his groin with great fucking enthusiasm. If my esophagus hadn't been filled by ten inches of chino *chorizo*, I would have announced, "I still got it!" Sometimes, actions speak louder than words. I said a mouthful when I slid my lips over Laughing Boy's baby-smooth testicles. Rolling the twin meatballs between my cheeks, I grasped the base of his woody and steadied the veiny ram as Enid sat in his lap.

"Go deep," Enid begged. I pointed Laughing Boy's horse cock straight up my girlfriend's flue; her purplish lips slid down

the length

like a fireman on a well-greased pole. Enid's tawny flesh coursed with spasms. That prick really hit the spot. She wiggled her ass in rapture, playing peekaboo with the massive shank. Enid's cunt bounced up to the tip of Laughing Boy's pride, revealing his increasingly reddened shaft. By the time Enid was through with him, Laughing Boy's abdomen would be bloodier than O. J. Simpson's socks.

He grunted, "Uhh, yeah, do it, baby," amazing me with his ability to work up

As his girth seared between my thighs, I saw stars. If I blacked out, and Enid let this guy fuck my ass, I'd kill her. At the moment, however, the invasion of a steely dong felt pretty good.

to a two-syllable word.

I popped my mouth off his nuts and buried my face in Enid's pistoning snatch. By firmly grasping her hips, I was able to stop Enid from shaking so violently. Then I fastened my lips to her love button. I licked and chewed Enid's clitoris, just the way she likes it.

Pretty soon I saw Enid scrunch up her face, the way she does when she's about to come. Her raspy panting echoed off the bathroom walls. I hoped management wouldn't hear Enid's impassioned cries; it's one thing to have a 12-girl daisy chain in the Fishin' Hole shitter, but it's quite another matter to engage in heterosexual acts on the property. The potential for disgrace didn't seem to cross Enid's mind.

"Fucking cock shove it shit fucker you bitch...." Enid babbled right over the brink of climax and plunged to the depths of a body-shattering explosion. I could actually feel her nubbin enlarge between my teeth. She had to brace herself against the toilet-paper rack to keep from quivering right off of Laughing Boy's cock and onto the filthy floor.

When she finally came down from her hormonal high, Enid eyed me with a wicked grin. "Now it's your turn," she leered. There's no point arguing with Enid; so I clenched my teeth and climbed up on Laughing Boy's lance. Jesus Christ, what a stretch! As his girth seared between my thighs, I saw stars. If I blacked out, and Enid let this guy fuck my ass, I'd kill her. At the moment, however, the invasion of a steely dong felt pretty good. Hell, if he kept up the deep strokes for a while longer, I might actually....

"Uhh, shit," screamed Laughing Boy. "Gonna blow!"

I leapt off his madly spraying nozzle, and Enid swooped down to slurp up the fountain of spunk. Talk about a close call—I could have ended up carrying a little Laughing Junior for nine months.

Instead of apologizing for nearly impregnating me, the limp son of a bitch simply pulled up his pants, cut a giant, satisfied fart and walked out! What a typical male move. Enid offered to fist me, but I was too disgusted to do anything but go home and watch *Xena*. God, I hate men!

NOSTRADAMUS NOOKIE

I've looked everywhere for an answer—astrology, New Age meditation, Scientology and the Psychic Hotline. Unfortunately, nothing fulfills me but fucking. Recently I've been wandering the

streets late at night, looking for some sign that will reveal my spiritual purpose. I may not have found inner peace, but I did score a piece of ass—at Madame Ruby's Chamber of Fortune.

Madame Ruby was a tall, exotic beauty sporting arch features and major-league melons. I could tell by the look of surprise on her face that she didn't expect such a handsome bastard at this time of night. With a flourish of her gloved hand, Ruby led me to her velvet-lined private chamber.

"You are on a quest," she whispered,

laying out a stack of tarot cards before me. Yeah, I thought silently, trying to make out the contours of her bodacious body through a loose peasant dress. *I'm on a quest for your hot pussy*. No sooner had I envisioned the two of us doing it doggy-style than Ruby darted her dark eyes toward mine, a look of pure shock on her sexy face.

She screamed, "Is that what you think I am? A common whore?" Good Lord, she must have been able to read my thoughts!

Missy

Too Good to Wait

**Beaver Hunt
Finalist**

#**2**

PHOTOGRAPHY BY MATTI KLATT

When the hardened HUSTLER Editors took a peek at lovely Missy, we knew that one quick glance at this sweet, blond 22-year-old wasn't enough. Aroused by the photogenic honey's picturesque *Beaver Hunt* debut on page 119, we pleaded to see the San Diego, California, student roundly exposed in a full layout immediately.

Missy craves more of a good thing too: Her fantasy is to be gang-banged by three men in front of a crowd of perverts. That crowd of hardened onlookers must be you, the HUSTLER readers, who'll decide whether little Missy takes the *Beaver Hunt* Grand Prize of \$5,000 and a trip to a glamour capital for a HUSTLER photo shoot.

Ladies, if you've got something tasty at home, why not share it with us? See page 118 for contest details.

(continued from page 45)

"I order you to enter my holiest of holies," Ruby panted. I quickly dropped trou and freed my wiener, lest Ruby curse me with some gypsy spell. My hard-on was raging.

I started to form an apology, but Ruby cut me off by lifting her skirt. "Madame Ruby is anything but common," continued the panty-free gypsy. She raked her long fingernails across the thick patch of pubes that crowned her olive pussy. I'd often heard rumors that most palm-reading palaces are actually jerk-off joints. Now I was about to knock boots with the comeliest clairvoyant this side of Jeane Dixon.

Ruby cleared the cards off the table and laid back, allowing me full fucking access to her private place. Before whipping out my organ, I dove down for a taste of cunny. She was tart and flavorful between the labes; every time my tongue darted forward, her hips bucked with enticing reflexes. This promised to be a memorable lay.

"I order you to enter my holiest of holies," Ruby panted. I quickly dropped trou and freed my wiener, lest Ruby curse me with some gypsy spell. My hard-on was raging. My head went light as the blood in my brain raced to my groin. I buried every inch in Ruby's pie without a moment to spare.

It's not unusual for chicks to scream during sex, but I've never heard anything like the caterwauling that escaped Ruby. The squeals and moans that emanated from the fuck-drunk psychic were damn near operatic. I gave it to her good, driving deep thrusts with all the force my skinny ass could muster. Each devastating booty blow pushed Ruby's piercing tenor to new heights.

"Rrrrahhh," she sang. "Owww-wow-wowwow! So good, Alec!" Amazing—she even knew my name before I told her. I had to come up with something to surprise the little minx; surely, she'd never predict a few fingers in her bung. I cupped her ass cheeks and kneaded the generous seat meat, all while pounding that hot twat. Slowly, I worked two curious digits into her rectum. The muscles tensed at first, then relaxed as I dug deeper into her colon. Every time my joint retracted from Ruby's slit, her sphincters clenched around my pointer in the most erotic manner. Next time I visited the Chamber of Fortune, I would bring a large tube of anal lube.

I didn't have to be a seer to know Ruby was climaxing. She dug her nails into my shoulders, and her legs shot straight up until her ankles boxed my ears. "Yes," Ruby hissed. "Now quickly, pull out!"

I was taken aback and asked, "Why?"

"Because," she answered, grabbing my cock with both hands and aiming it toward her voluptuous chest, "you are about to ejaculate!"

I hadn't felt it building up, but sure

enough, the fire of orgasm was burning in my balls. Ropy scum flew all over Ruby's dark skin, glistening on her ta-tas in a milky glaze. With a sigh, I fell on top of her still-trembling body, sinking into the fabric of her dishevelled peasant dress.

"Tell me, Ruby," I began, catching my breath. "What's it all about? All this random fucking and sucking.... Where am I headed? What does my future hold? Why was I put here on Earth?"

She looked at me like I had just

asked where babies come from.

She snorted, "Why the hell are you asking me? I'm just a whore from Dayton. Give me \$100 and get out; I've got a four o'clock on his way in."

I'm thinking of calling Dionne Warwick next.

Cheat-Free Infidelity

How to Fool Around and Still Plead Not Guilty

BY ALEX MARVEL * ILLUSTRATION BY STEVEN VANDERVETE

Simon Chancelot is playing a slippery game, and he has been operating on a sliding scale.

"Let me guess what you're wearing," says simpering Simon, cupping the mouthpiece of his den phone to his lips and cagily lowering his voice. "Red-latex bra, ankle socks, red-leather bondage pumps...and a thin layer of perspiration on your pussy."

The breathy throb on the other end of the line answers: "You didn't notice the handcuffs that bind my wrists to the radiator and leave me standing, bent double, with my greased ass raised vulnerable to the shafting of your meat spear."

The woman of this torrid exchange is Mona, whom Simon met in an Internet chat room devoted to breeding prize snails. He discovered that beyond a mutual attraction to slimy, shelled creatures, Mona shares his affinity for savage anal intimacy.

Mona claims she is single, but Simon doubts her; he himself has denied the existence of his wife, Shelly, who sleeps soundly in the next room.

"Your cum is so hot in my filthy asshole, you shit fucker," purrs Mona.

Simon concentrates on nude photos of a brunette: 32 years old, slightly dumpy, honey-dripping. These Polaroids, propped in Simon's center desk drawer, are purported to be of Mona, and the shots quickly inspire Simon to fill his handkerchief with a jizzy shot of his own.

Though he has launched two dozen wads at Mona's electronic urging, Simon feels that he has not quite, technically, cheated on Shelly. Where, Simon sometimes wonders, might the cutoff be? He doesn't want to cross that line, but why not play up as close to it as he possibly can? If I meet Mona in person, he thinks, and I take pictures of her doing herself, and I jack off, but

don't touch her, then am I still safe within the bounds of fidelity?

In terms of relative guilt, adultery and infidelity have more degrees than a rectal thermometer: A vast middle ground exists between Husband A's fantasies of running off with the baby-sitter and Husband B's sneaky fuck of the baby-sitter's mother. Neither man feels that he has actually, technically, cheated on his spouse.

Husband A, quite reasonably, reasons that since his lecheries remain within the confines of his mind, his marriage vows are fully intact.

Husband B is a wilier specimen.

"My conscience is clear," says B. "All the while I was fucking the baby-sitter's mother, I was picturing my wife, Mrs. B. Plus, my jimmy was only in the baby-sitter's mom's pussy for a short duration. Most of the time I was in her mouth, and I came in my own hand; so it's not as serious as if I went all the way with her. Don't repeat this discussion with Mrs. B. Sometimes it's hard to explain to her what she can't understand."

What would constitute an actual cheating experience in Husband B's cosmogony?

"I can't picture me cheating on my wife," he says, wiping the baby-sitter's mom's pussy nectar from his chin. "It would hurt her too much."

None of us wants to harm the one we love, but all of us yearn to keep boredom at bay. We suspect that the ennui of monogamy might be readily dispelled by liberal carnal indulgences with a variety of fleshpots. The trick is to integrate two less than compatible impulses, the impulse to stray and the impulse to nest, and still hold the steady lady's cherished affections.

"The balancing act can be like walking a tightrope over a pit of starving alligators," drones Alvin Goldstones, a New York City behavioral gem. "I know. I fell."

A law-school washout, Goldstones nonetheless subscribes to the attorney's pragmatic view of human relationships: "In my book," chortles Goldstones, "eatin' is not cheatin'."

Goldstones and his wife, Bernadette, don't read the same adultery manual. Raised in a convent, Bernadette has a more Roman Catholic conception of fidelity.

In Bernadette's value system, a sin committed in imagination is as punishable as a sin in reality, meaning that if Goldstones merely

Sex Play

At root, the difficulty is that humans tend to apply soft cheating standards to the self, while holding the partner to a rigid code of behavior.

engages a passing fancy of plumbing the vaginal possibilities of another woman, the connubial knot is up for annulment.

Who is right, Goldstones or his estranged bride? The debate rages on. Lawyers for the couple agree only that the pair be milked of every expendable dollar.

"There is no standard of culpability in the highly personal area of sexual indiscretion," bemoans Goldstones. "What this country needs is a firmly established scale of guilt in extramarital adventures. Why should I be mandated to pay the same amount of alimony for a half-minute blowjob as what Anthony Quinn shells out for siring an entire extracurricular family?"

In the interests of creating a more equitable system of blame, HUSTLER impaneled a council of men and women familiar with Court TV and sleazy behavior to draft a set of guidelines for monogamy lite. Rated on a not-guilty grid from one to ten, with one being innocent like a little lamb and ten being innocent like O. J., the romantically committed man's code of blameless behavior stands as follows:

One: Making momentary, meaningless eye contact with attractive member of opposite sex in an automobile passing in the opposite direction on a roadway.

Two: Hanging a U-turn and speeding to catch up to and establish extended eye tag with attractive member of opposite sex in automobile.

Three: Following attractive member of opposite sex for several blocks in automobile.

Four: Pulling into gas station alongside targeted member of opposite sex and deriving sexual arousal from observing her in proximity.

Five: Striking up conversation laden with sexual innuendo, procuring subject's phone number, proceeding straight home to bone wife and fall asleep with mystery motorist's essence in one's nostrils.

Six: Phoning subject, listening to subject's answering-machine message and immediately jumping wife's bones with hard-on for subject.

Seven: Making date to meet at gas station again, striking up conversation and retiring to coffee shop or bar to unwind.

Eight: Same as seven, but with handjob in car in ill-lit parking lot.

Nine: Add mutual oral sex to number eight, but no vaginal or anal penetration.

Ten: All three holes invaded, but with a rubber; technically, no real contact is made. Innocence is maintained.

Though perfectly rational and easy to

understand, the HUSTLER model of acquittal met less than universal acclaim.

"According to your view," yelps Glorianna Steinchez, a female who has often been the old lady left wilting at home, "a guy's free to do anything as long as he starts it out in a car."

To which we reply: If you can't handle the traffic, stay off the road.

Ever since the invention of the cocktail party, if not even before then, women have employed biased criteria for defining and punishing misbehavior within the couple.

"I was not flirting," the drunken wife will slur during an uncomfortable ride home. "Bill and I were just talking."

"Do your tongues have to touch when you talk?" protests the disturbed husband.

"I saw you yesterday, undressing that bitch in Bloomingdale's with your eyes," accuses the miffed wife. "Go be with her. I'm moving back with my mother."

"But, honey, I was looking at a mannequin," pleads the wrongfully maligned male to no avail.

"And you call what I did with Bill *flirting*," says the wife as if announcing a verdict and passing a sentence.

"Irrational rationalizations that shift blame and point guilt are a woman's prerogative," proclaims Hillary Clit, a former

editor for a failed magazine of feminist logic. "Men are simply cads, especially the ones who cry 'no foul' if they receive an extracurricular blowjob, then scream 'bloody adultery' when wifey coughs up the fact that she blew two guys last week while hubby was away on business."

At root, the difficulty is that humans tend to apply soft cheating standards to the self, while holding the partner to a rigid code of behavior. We are surprised to learn that our mate operates with the same perverted sense of values that we do.

Psychic advisor Justin Bush maps out a blueprint for successful monogamous coexistence. "Communication is the key," channels Bush. "Sit down with your prospective beau and discuss where the lines of betrayal are drawn. Determine early on in the relationship where we can stray and where we must stay."

"What I must know," types Mona Tureen, an ardent Internet freak heart-set on a successful marriage, "is, when I've given head to someone other than my husband, am I expected to spit, or may I swallow?"

Any man, given Mona's information, can see the role that open and honest communication plays in ending trouble before trouble moves in. ☹

"You were really drunk last night! You fucked me without the bag!"

A photograph of a woman's legs in white underwear, with a basket of flowers in the background. The title 'Guenivere Morning Glory' is overlaid on the image. The word 'Guenivere' is in a green cursive font, 'Morning' is in a yellow block font with a green outline, and 'Glory' is in a yellow block font with a green outline.

Guenivere Morning Glory

PHOTOGRAPHY BY MATTI KLATT

Guenivere has never been prone to rude awakenings. The soft light of morning always inspires her to start her day with an erotic workout. As the sunshine caresses her tawny skin, she languidly works magic with her fingers, bringing moisture and heat to her love cleft. Her passions rise quickly, mirroring the arc of the sun's ascent.

Guenivere's morning ritual lets the sun shine in; she's sure to face every day with a grin.

Blow-Up Sex Dolls

CONSUMER REPORT BY CALVIN MOORE
PHOTOGRAPHY BY LADI VON JANSKY

Shove live broads and their monkeyshines. Brigitte Bra-Buster sports liquid-filled squishies and a vibrating butt! Greek Goddess likes it on all fours! China Doll "loves to love you, baby!" The only question: Which rubber chick best suits your dick?

Dolls

"I spent the past two months up to my elbows in plastic pussy," explains Moore. "I came to the conclusion that, indeed, a love doll is not much like a woman. A love doll is better."

If the inflatable love doll has a single inventor, he has never been keen on taking credit. Anonymous pitches for seminal "Party Dolls," with nicknames such as Wendy Woo, date back to the "artistic" nudie magazines of the 1950s. One ad of the era touts a photo of a low-rent Hefner clone with a very real blond bombshell draped in his arms. Boldface text screams, "THIS is your lifelike love doll!"

The love doll always has been, and probably always will be, an utter disappointment for those seeking the approximation of an actual woman. Love-doll features are carved out of the hardest plastic, with a flat face and preternaturally wide-open mouth, recalling nothing so arousing as the Gerber baby painted by Edvard Munch. The cheap, vinyl "skin" is cold and too inflexible to be shaped into articulated hands and feet, let alone an inviting vagina. Unsightly sprigs of fire-hazard poly-weave "hair" top off a package sure to wilt any rube who believed a "lifelike" sexpot would magically ooze from his mailbox.

Love-doll-duped losers often have no choice but to settle in for a long-term relationship with their latex ladies. These "marriages," savagely parodied in films such as the Dennis Hopper melodrama *River's Edge* (1985), help propagate the image of the love-doll enthusiast as a bitter,

twisted individual with no chance of landing a fuckmate with a heartbeat. That's where HUSTLER consumer reporter Calvin Moore enters the picture, determined to prove that the new wave of sex-toy technology makes life as an angry loner great fucking fun.

"I spent the past two months in a tiny apartment, up to my elbows in plastic pussy," explains Moore. "I became estranged from friends, family and my girlfriend of five years. And I came to the conclusion that, indeed, a love doll is not much like a woman. A love doll is better."

The following, unedited transcripts comprise Moore's findings, supplemented by a four-balloon rating scale:

-  Superior craftsmanship; even better than the real thing. Pucker up and blow.
-  A decent lay and not a bad looker, but nothing to take home to Mom.
-  Flawed but fuckable. Keep an alternative choice of masturbation "on hand."
-  Shoddy, unarousing, potentially chafing and definitely a ripoff.

All test models were supplied by Nasstoys, an adult-novelty distributor so generous, they declined HUSTLER's offer to return the used dolls. Retail prices vary

widely from outlet to outlet and cannot be reported reliably. For more information on their comprehensive selection, contact NassWalk Novelties at P.O. Box 361, New York, NY 10013, or call 1-800-556-5562.

BLACKSTAR
Nasstoys

Rating: 

What self-respecting white boy doesn't fantasize about making hot monkey love to an ebony-skinned, South Central sweetie? Blackstar, touted as "The Dark and Delicious Love Doll," allows a cracker to indulge this fantasy in the gangsta-free safety of his own bedroom. With her rich, chocolate tone, kinky hair and authentic blue eye shadow, Blackstar was the first love doll I chose for romance, and the bitch was bootylicious.

Blackstar blows up into the arms-out missionary position common to the average love doll. All similarity ends there. Amid the ample expanse of brown latex, Blackstar's neon-pink pussy is not only aesthetically pleasing, it's deeper than Alex Haley's roots. That black squack goes on for days! Proper lubrication required an entire bottle of Oil of Olay.

Once greased, Blackstar gave me a night I'll never forget. I climbed on, enjoying the opportunity to forego foreplay. Unfortunately, Blackstar's legs don't spread wide enough to allow a wide boy to sink between those peanut-buttery thighs; I had to finagle my cock into a straight-drop maneuver that buried my balls in the most satiny sugar walls ever to fall off an assembly line. I fucked Blackstar slowly, staring into her soulful eyes. When my hands reached under her buttocks for leverage, I discovered Blackstar's rubber rectum. Flipping her over on the spot, I speared that dark booty with my pale pork sword. The sight of my manhood sunk between African-American ass cheeks—even artificial ones—was so overpowering, the stirrings of orgasm rose after mere minutes. I pulled out, grabbed those nappy curls and beat off into Blackstar's greedy mouth. Then I fell asleep.

The cold light of postorgasmic day illuminated a few minor quibbles. For a black chick, the rump on Blackstar is disproportionately small. And why does Blackstar's packaging feature a skank of Caucasian descent? Regardless, Blackstar earns my R-E-S-P-E-C-T; she's the only love doll on the list I eventually porked until she popped.

Mounting Art

PHOTOGRAPHY BY CLIVE McLEAN

Museum curator Jackie enjoys spending time in the museum after hours, taking a break from the endless organizing and cataloging by letting her hair and dress down. Freed from the constraints of her staid position, she surrounds herself with treasures of antiquity and explores her timeless passion.

She imagines herself as a priceless work of art, lovingly gazed upon by an admiring throng, her desire transformed into a masterpiece.

"When I'm alone, I erect my own exhibit," explains Jackie. "I'm living art, like the *Moaning Lisa*—or I guess the *Moaning Jackie*."

SEX TEEN LOVE DOLL

Delta Love Productions

Rating: 

After the exotic Blackstar, my next blow-up date was bound to be a bummer. The Sex Teen Love Doll, however, is a let-down by any standard. The first clue lies in the image of washed-up porn queen Kascha adorning the box. Even back in the '80s, when she undoubtedly posed for this photo, Kascha was past the Sex Teen age range.

The Doll herself is no spring chicken. An example of the shoddiest workmanship, she sports no hair—a crude facsimile of a brunet bob is painted on her rubber scalp. Worse, the Sex Teen's face and tits are not sculpted, resulting in sharp, pointy boobies and a comical countenance more suitable for one of Jim Henson's Muppets.

There is a certain nasty thrill in sticking one's dick inside the Sex Teen's sickly crack. It's like boning a girl with Down's syndrome. If that sounds unappealing, be wary; most street mimes can twist balloon animals that pack a greater sensual punch.

MISTRESS

International Xtasy Girls

Rating: 

When it comes to love dolls, the

brand of the International Xtasy series signifies what the Pouilly-Fuissé seal means to wine or the HUSTLER imprint means to magazines: quality. International Xtasy guarantees consumers a sturdy and sexy line of inflatable ingenues, characterized by trademark blond pigtailed, cute, upturned noses and adorably detailed cross-hatching pubes. Like the Vargas Girl before her, the International Xtasy Girl is innocence blended with pure come-on; unlike the Vargas Girl, you can come on an International Xtasy Girl's face after sliding your cock in and out of her electrically pulsating poontang.

That's what I did with Mistress, the vibrating member of the sisterhood of Xtasy. The spasms that emanate from the vage of Mistress can be attributed to the inclusion of the popular Vibrating Egg, a contraption that has livened up many a limp doll. The Egg is a small, oval-shaped device attached to a long cord, which runs to a battery case and speed-variable control switch. Don't be fooled by the Egg's deceptively miniature design; the motor sounds like a Black and Decker chainsaw at full tilt. Although the Mistress does not include an instruction booklet for usage and safety, I felt the most effective Egg tremors by sliding the business end up the doll's

butt. This resulted in a pleasurable, steady current when fucking her rubber cunt, not unlike a genital joy buzzer. I ejaculated inside Mistress—an unusual sensation, and one that gave our encounter a sense of intimacy that was somewhat lacking with my other plastic partners.

Mistress is shy of a four-balloon rating due to a few rather serious drawbacks. The packaging is extremely deceptive; admittedly, that's par for the course for the love-doll biz. However, a box featuring a leather-clad, whip-wielding dominatrix, for a doll that features none of these accouterments, is unfairly exploiting an already put-upon cross section of the buying public—masochists.

In addition, the Vibrating Egg may be a tad too effective. Case in point: Late one night, Mistress and I were doing the dirty on the bedroom floor. We'd been at it for no longer than ten minutes when I was distracted by a knock at the front door. Sweating, swearing and more than a little nervous, I scrambled for a bathrobe, threw open the door and discovered a downstairs neighbor screaming in broken English about "that fuck-eeng buzz-eeng sound." I mumbled some halfhearted excuse involving an electric razor and went to bed, the mood shattered.

BRIGITTE BRA-BUSTER

Love Productions

Rating: 

The chaps at Love Productions emblazon their line of sex toys with a Union Jack emblem. They also have a jolly good handle on what kind of bloke buys a love doll; the copy on each box proclaims, "Holds up to 250 pounds!" Righto.

Love dolls aren't much different across the pond. Brigitte comes armed with a Vibrating Egg; in a nice touch of ye-olde-England manners, there's also a warranty, covering the vibrator against everything except "damage by battery corrosion." As for Brigitte's blond good looks, she's cast from the same mold as Mistress—literally. Their faces are identical, a fact that's barely hidden under Brigitte's messy hairdo.

Below the neck, Brigitte sports something extra. Her breasts are huge, flesh-colored bags, with twin stoppers sprouting from Brigitte's back. Pull the stoppers and those bazooms can be filled with water, milk or whatever fluid comes to mind. The mammary tanks are topped with sizable nipples, painted an angry red. I customized my Brigitte with a simple safety pin. Adding small punctures to each nerp provides for a pleasing simulation of titty sucking, albeit with a piquant plastic taste.

"...and that's for making me spend two hours getting ready for three minutes of sex!"

The submissive nature of the Sex Slave highlights one of the darker delights of the love doll, a dirty little secret rarely spoken among even the proudest plastic perverts: deflation.

Brigitte seems to be made of a heavier, thicker vinyl than her American counterparts. Perhaps that's due to her status as a water bearer; perhaps Love Productions simply chose as their model the big-boned gals of Great Britain. Whatever the case, Brigitte provides for a weighty, bouncy tumble, marred only by the fact that her oversized fun sacks prevent full inflation of the arms. Polio fetishists, take note.

A warning: Common sense would suggest the electric vibrator should not be used in conjunction with giant, leaky fake boobs sloshing water everywhere.

BIG JOHN

Love Productions

Rating: ? ? ? ?

Big John is a male love doll, ostensibly designed for use by women and homosexuals. This fact raises a number of troubling issues. As a HUSTLER reviewer, I am duty bound to attempt some sort of product test; the readership demands—and deserves—no less than 100% effort on my behalf. What if, however, that assignment conflicts not only with my moral code, but my deeply ingrained homophobia?

These thoughts, and far too many others, raced through my mind as I pondered the

smiling visage of the admittedly handsome John (he resembles the young Lee Majors). They don't call John "Big" for nothing; the doll is equipped with a snap-lock, vibrating dildo that's a foot long, weighs a ton and shakes like a haywire jackhammer when activated. In the hands of a fast-thinking homo, the Big John dildo could serve as a formidable counter to any gay basher's Louisville Slugger.

Inflating John was one of the more disturbing experiences of my life. The less said about pressing one's lips to the small, plastic blowhole on John's back and puffing into it, the better.

It wasn't easy to devise an interaction for John and me that would stay within the limits of nonfaggotry. Placing John in compromising positions with the International Xtasy Girls made me far too aware I was "playing with dolls." I began to worry about myself.

I came up with the brilliant idea for John and me to double-penetrate Blackstar. Our threeway was over in a matter of minutes. I felt I had done my part to give John a fair shake (not in the literal sense, thank you).

Every once in a while, I drag out John, set him on the couch with a can of Bud, and the two of us watch *Singled Out*. But I still worry that the guy's a fag.

SEX SLAVE DOLL

International Xtasy Girls

Rating: ● ● ● ●

The Sex Slave Doll was just the remedy for my battered dignity after a run-in with Big John. Sex Slave is an International Xtasy model who kneels before the user, hands above her head as if bound or cuffed. Her ability to sit upright makes Sex Slave perfect for cocksucking; flip Sex Slave onto her stomach and prepare for rough sex that would make Robert Chambers blush.

When diving in for a Sex Slave humjob, it's important to remember that the harder plastic used for facial features results in a mouth that's anything but gentle. I found the oral openings on all of the Xtasy gals to be constrictive at times. God help the well-hung love-doll enthusiast without a lifetime supply of Vaseline Intensive Care lotion.

The submissive nature of the Sex Slave highlights one of the darker delights of the love doll, a dirty little secret rarely spoken among even the proudest plastic perverts: deflation. Simply pulling the doll's plug won't do the trick; it's necessary to roll up, mangle and, above all, step on a blow-up bottom before she can be properly stuffed back into her cardboard box. Watching the object of one's ejaculation wither under an unforgiving foot carries an erotic charge that probably has Sigmund Freud pulling his pud from beyond the grave. Sex Slave is a superior choice for the sadistic fucker.

CHINA DOLL

Nasstoys

Rating: ● ●

"The Ultimate Asian Love Doll," purports the box, featuring a pastel collage of Geisha ginches. Another line reads, "Love to love you, baby," a catchphrase more suitable for Blackstar. Any fears that the Nasstoys company may be ethnically confused are confirmed by China Doll's skin tone, the same Occidental peach color one finds labeled FLESH in a politically incorrect Crayola box. China Doll's hair is another misguided attempt at Eastern flavor; the black strands start out kinky, become straight and wind up in unattractive pigtails. Ah, no. Her pussy isn't particularly slanted. The fine print on the box claims China Doll was manufactured in Hong Kong. There's no excuse for such shabby representation of an Oriental slut.

China Doll's not a bad lay, but not a particularly interesting one. She's in the missionary position, a rarity for her sexually imaginative real-life counterparts.

A man walked into a bar and ordered ten shots. The bartender served them and watched as the man drank one after the other till the shots were all gone.

The bartender asked, "What happened to you?"

The man replied, "I found out my youngest son is a homosexual."

The next day, the same man walked in, ordered the same thing and drank all ten shots again.

The bartender asked, "What happened now?"

The man replied, "I just found out my oldest son is a homosexual."

The next day, the same man walked in and ordered ten more shots.

"Damn," said the bartender. "Doesn't anyone in your family eat pussy?"

The man replied, "Apparently my wife."

Larry came into work visibly distraught. His co-worker Eric asked him what was wrong.

Larry said, "I came home last night and found my wife in bed having sex with my best friend."

"My God," Eric responded. "What did you do?"

"I threw all her stuff out the window and told her to get the hell out and never come back."

"No shit? What did you do to your best friend?" asked Eric.

"I said, 'Bad boy! Bad!' and made him sleep in the backyard."

Answer: Mick Jagger says, "Hey, hey, you, get offa my cloud."

The nun responded, "Fifty dollars, same as downtown."

A spaceship landed at a Cleveland gas station last week. An alien stepped out of the ship, walked over to the gas pump and said, "Greetings, Earthling. Please take me to your leader."

A second alien came out and asked what the problem was. The first alien said that the Earthling refused to respond to his greeting.

The second alien said, "This looks bad. Let's get out of here."

The first alien said, "No," pulled out his ray gun and blasted the gas pump. The pump exploded, blowing both aliens into the bushes.

The second alien stood up and said, "I told you this looked bad. Anybody who can wrap his dick around himself twice and stick it in his ear is somebody you don't want to fuck with."

A woman was sick and tired of her husband's drinking; so she decided to teach him a lesson. She dressed up like Satan and, when her husband returned home drunk again, she leapt up from behind the couch, screaming.

"You don't scare me," the man said, looking her over calmly. "I married your sister."

THE WAGES OF WASTE

THE DEADLY NUCLEAR SKELETON IN AMERICA'S CLOSET

REPORT BY GREGORY DICUM
ILLUSTRATION BY MATS STROMBERG

Radioactive waste, the highly lethal debris of the Cold War and by-product of civilian nuclear-power plants, is leaking your way. Every day, man-made radioactive material seeps into your water, your food, into your bones, lungs and testicles. Those who have produced the plague have no way to contain it and no way to clean it. Every American's risk of exposure is growing greater, and no one is in control.

Waste

"They dump stuff in open pits with no linings; they dump nuclear waste in cardboard boxes, in metal cans and in plastic bags. They've all leaked."

Harry Strout doesn't see it coming. The 47-year-old insurance agent shifts gears on his new, fully covered 1997 Cavalier and speeds onto the downtown freeway interchange. From Harry's left, a big rig decked with Hazmat tags careens across three lanes, jackknifes toward his sedan and nearly clips his rear bumper on its way to a crushing collision with a concrete restraining wall.

Harry feels a concussive **KABOOM!** and looks back in horror at the big rig's mangled wreckage. Pulling over to the shoulder, he spies a jaundiced plume of smoke billowing from the truck's cracked trailer canister. Afraid that the trucker may be trapped in his cab, Harry pops his safety belt and heads toward the accident.

As Harry makes his way along the shoulder, the warm smoke leaking from the rig coats his skin and fills his lungs. Before he gets ten yards, his eyes are burning. Bile shoots up from Harry's gut into his mouth, forcing him to his knees, writhing. Harry can't breathe. His lungs are filled with razor blades. His skin blisters, and pus streams from pores.

Before Harry's eyeballs rupture and his muscles melt off his bones, wonder flashes through his mind. Is this Armageddon? World War III? A cyber-terrorist attack?

No. It's just combustible garbage of the worst kind.

* * *
In January 1997 the U.S. Department of Energy (DOE) released previously classified information detailing a series of Cold War nuclear disasters. Documents revealed a canister of plutonium lost in Vietnam. Films showed missiles tipped with thermonuclear warheads exploding on the launchpad. But the most serious revelation is the threat posed to public health by decaying storage sites of nuclear-weapons materials.

In a recent report, departing Energy Secretary Hazel O'Leary finds that many of the storage facilities built in the 1950s have faulty or inadequate fire-protection systems. O'Leary notes that a large blaze at any one of ten storage sites could carry deadly radioactive debris out into the public domain.

O'Leary's concern ignores one indisputable fact: The deadly debris is already out here.

Reinard Knutsen, program director of Action for Nuclear Abolition, in Las Vegas, Nevada, describes the reality of the nation's contaminated-waste storage, distributed among more than 10,000 sites in all 50 states. "There are more regulations on a county landfill than a low-level

nuclear-waste dump," Knutsen says. "They dump stuff in open pits with no linings; they dump nuclear waste in cardboard boxes, in metal cans and in plastic bags. They've all leaked. Every single nuclear-waste dump in the country has leaked into the groundwater."

Joe Strolin of the State of Nevada Nuclear Waste Project Office, also based in Las Vegas, compares the task of cleaning up this country's nuclear-waste mess to building the pyramids. "The project will take generations and generations to complete," he says.

If the deathly sludge can be cleaned up at all.

A single, massive dose of radiation will destroy a human body in a matter of minutes. Smaller doses induce "radiation sickness": hair loss, vomiting, severe headaches, joint pain and burns. Minor exposure to radioactivity may have no immediately discernible effect, but can result in immune deficiencies, thyroid problems, miscarriages and, of course, cancer—often decades after exposure.

Nature has always contained "background" radiation: radioactivity from natural deposits of uranium and other elements, and cosmic rays from outer space. In the past 50 years these background levels have been compounded by radiation born of human endeavor. Bomb tests, military experiments, intentional and accidental releases from nuclear reactors, uranium mining, all have contributed long-living radioactive agents to our surroundings and to our bodies.

If you've been present on Earth during the past 50 years, your body contains the radioactive consequences of the Cold War: traces of cesium 137 in your bones, strontium 90 in your muscles and plutonium in your lungs and testicles.

The shutdown and cleanup of the Cold War nuclear infrastructure has cost hundreds of billions of dollars. With each passing month, it becomes more evident how little we know about what we're dealing with. We don't know how to store radioactive materials effectively, how to clean them up once they escape into the environment or what effect they have on us in the chronic levels that we're all exposed to now.

The Nuclear Weapons Complex, operated by the Defense Department and the DOE, is made up of independent installations in Washington, Texas, Nevada, Idaho, Georgia, New Mexico, Tennessee, South Carolina, Ohio and Colorado. Each site is beset with major contamination

GORGE PLOWERS

Waste

Atmospheric releases of radioactivity during the plant's heyday from 1944 to 1957 are estimated to have been the equivalent of 40,000 Three Mile Islands.

problems, the severity of which are only coming to light now. Some 140 metric tons of plutonium (a few pounds of which, evenly distributed around the world, will kill every human being on the planet) and 994 metric tons of highly enriched uranium sit in storage ponds, reactors, warheads and military labs.

In addition, 109 civilian nuclear-power plants are distributed around the country, many in densely populated areas. Overseen by the Nuclear Regulatory Commission (NRC), these plants accumulate nearly six tons of highly radioactive waste each day, severely taxing the limited on-site storage facilities that will fill to capacity in 1998.

Cleanup efforts are in the hands of the DOE and the NRC, as well as their symbiotic contractors, such as General Electric and Westinghouse. One looming question, reiterated by Hazel O'Leary's disclosure of past nuclear fiascos, is whether these organizations can be trusted to tell the truth about their commitment to nuclear-waste containment.

The lifting veil of Cold War secrecy has exposed large gaps in official record keeping. Jim Thomas, research director of the Hanford Health Information Network, in Seattle, Washington, asks, "Was there a major accident in the past that is not in the documents? That question will be with us

for quite a while, if not forever."

* * *

The Hanford Nuclear Reservation, in south-central Washington, comprises 360,000 acres (about 25 times the size of Manhattan) on the banks of the Columbia River, occupying a dry plateau halfway between Portland and Spokane. Hanford was the backbone of the U.S. nuclear-weapons program throughout the Cold War, representing nearly a fifth of the massive Nuclear Weapons Complex. Today, Hanford is a contaminated hell on Earth: a "national sacrifice area" that stands as a tragic example of the military's inability to contain the radioactive by-products of nuclear-weapons manufacturing.

Until 1989, Hanford was a reprocessing center, where plutonium, including the amount used in the Nagasaki bomb, was extracted from irradiated nuclear fuel. The process created billions of gallons of radioactive liquid waste. Atmospheric releases of radioactivity during the plant's heyday from 1944 to 1957 are estimated to have been the equivalent of 40,000 Three Mile Islands.

The plant's liquid waste is currently stored in 177 huge underground tanks. Some of these tanks are nearly 50 years old, and many are leaking badly. Because no accurate records exist, nobody knows

what exactly is in these tanks. Dealing with their contents will require dangerous and expensive sampling. According to Jim Thomas of the Hanford Health Information Network, "The complexity of the Hanford cleanup is mind-boggling. Aside from the variety of radioactive materials in the tanks, there is a witch's brew of hazardous chemicals—chemicals that will explode if the conditions are correct."

Next to the river are nine mothballed reactors. The substandard quality of these reactors led to a substantial contamination of Hanford's surrounding environment. "The pollution that went into the river came from plutonium-production reactors," says Thomas. "They used the Columbia River for coolant and ran the water through the reactors' core. Any impurities in the water, such as normal minerals, were irradiated. This radioactivity was discharged after a few hours hold-up time—sometimes less than a half hour—right back into the river. It got taken up into the aquatic life, including fish and shellfish, into waterfowl and, of course, through drinking water into the food chain."

Contaminated plumes of groundwater still work their way from Hanford's reactors to the river. The greater immediate concern is the waste pits near the reactors. According to Paige Knight, chair of the citizens' group Hanford Watch and a member of the Advisory Committee on the Hanford Cleanup, "[The pits] hold spent nuclear fuel from the operation, and they were detected leaking about 100 yards from the river, but DOE just denies it. There's now a thick sludge in the bottom of the pits leaking into the groundwater and the river."

In 1989, the State of Washington, the DOE and the Environmental Protection Agency (EPA) initiated the Nuclear Waste Program. The goal of the program was to apply the regulatory and environmental standards from which Hanford (and the rest of the Weapons Complex) had been exempted for the entirety of the Cold War.

"The DOE projects cleanup will go on pretty intensively for 50 years," says Marc Fioravanti, staff engineer at the Washington, D.C.-based Institute for Energy and Environmental Research. "But Hanford is never going to be fit for human occupation again."

One overwhelming problem is how to stabilize the tanks and storage basins. "Sparks from equipment inside the tanks could set off reactions or explosions," Fioravanti continues. "That may not blow the tank miles high, but it certainly could damage the tanks' integrity. The DOE is basically trying to make it so an explosion

Waste

In a two-pronged legislative and legal assault on the DOE, the powerful nuclear-power lobby is in the process of forcing their waste down Nevada's throat.

won't go off at any moment."

* * *

In 1982, in response to a national debate about the obvious lack of storage for the nation's rapidly growing stock of deadly nuclear waste, Congress passed the Nuclear Waste Policy Act, authorizing the DOE to assess deep geologic disposal options at several sites, as well as backup storage options. The Act established a Nuclear Waste Fund, into which civilian nuclear-power plants were compelled to pay based on the amount of power they produced. (Electricity consumers paid the fund through rate hikes and service charges.) In return, the DOE was to take possession of high-level waste from the plants starting in 1998.

In 1987, the Act was amended, and many complex technical issues were essentially decided by legislative fiat: The DOE was ordered to study only one possible repository site, in Nevada, and to cease investigating alternatives. The decision came largely because Nevada was the state with the least political clout in Congress at the time.

The designated site for exploration is Yucca Mountain, an 18-mile-long ridge of volcanic rock 85 miles northwest of Las Vegas. Yucca Mountain sits adjacent to Death Valley and is just west of the Nevada

Test Site, the main U.S. nuclear-weapons testing ground from 1947 to 1992.

Lee Dazey of the Nevada grassroots organization Citizen Alert claims that Yucca Mountain is far from feasible as a storage site for dangerous high-level waste. "This is a very seismically active area," she says. "It's comparable to the Bay Area. There are 34 fault lines running around the Yucca Mountain area, including two major faults that intersect right under Yucca Mountain, within the repository block."

Reinard Knutsen of Action for Nuclear Abolition, in Las Vegas, describes the pattern of deception employed by the DOE to circumvent such objections. "Scientists paid by the government come up with statistics that they say should make Yucca Mountain safe," he says. "To do that, they've had to manipulate a lot of the environmental regulations that are already in place. This past year the EPA came out with new radiation standards—what's allowable for background radiation. They had to raise them so that Yucca Mountain could fit. Most of the scientific community considers Yucca Mountain to be a very bad spot for nuclear waste."

Despite \$4 billion worth of expenditures, Yucca Mountain has yet to be approved as the permanent site of the nuclear-waste repository. Even if

approval comes, the site will be unable to accept waste before the year 2015. What will the DOE do next year when the civilian nuclear-power industry begins to dump its high-level radioactive waste into the DOE's lap?

The nuclear industry has come up with an interim storage plan that would leave radioactive by-products aboveground at the Nevada Test Site. In a two-pronged legislative and legal assault on the DOE, the powerful nuclear-power lobby is in the process of forcing their waste down Nevada's throat.

"The court of appeals has told the DOE that they have a requirement to start taking that waste in 1998," says Scott Peters, a spokesman for the Nuclear Energy Institute, the industry's lobbying arm. "They have a contract. They're saying they can't take it, that they have no place to put it. The answer is to put up an interim storage facility, preferably at the Test Site, because then it's just a hop, skip and a jump to move it into final storage, assuming that Yucca is approved."

The prospect of transporting all the high-level waste from more than 100 nuclear plants around the country to one site in Nevada is nightmare fodder. "The waste wouldn't just be beamed over from

A receptionist by day, a wanton hellcat by night, 18-year-old Mary likes to spend time traveling, painting and enjoying the outdoors. This Indianapolis, Indiana, native fantasizes about being with a woman and moving to New York to gain sexual experience. It's a solid plan; many people get screwed in New York.
Photo by Boyfriend

Relaxing with a smoke here is Laura from Gaithersburg, Maryland. This 19-year-old coffee-shop employee enjoys art and shopping. As far as fantasies, she writes, "Why fantasize when you can get the real thing?" Is that an offer?

This sexy student is Heather from Portland, Oregon. She spends time sunbathing, dancing and looking sexy. Her fantasy is to be kidnapped, tied up and sexually pleased by Glenn Danzig. Talk about your sexual misfits.
Photo by Husband

This paragon of pulchritude is Missy from San Diego, California. A 22-year-old student, Missy maintains her physique through a strenuous regimen of skiing, biking and dancing. Missy fantasizes about getting gang-banged in front of a crowd of perverted men. She looks like a crowd pleaser to us.

Photo by Husband

Libby is a 20-year-old vixen from Auburndale, Florida. When she's not working in an adult-video store, she likes to sunbathe nude. Judging by Libby's tan, she's only working part-time.

Photo by Husband

This cheerful dominatrix is Lita from San Francisco, California. Lita is 24 years old and fantasizes about getting fisted by a woman who is choking her while ordering her to come. Did we mention she's from San Francisco?

Photo by Friend

Carole sends her picture all the way from Slovakia. A 35-year-old housewife, Carole likes cooking, reading, knitting and fantasizes about masturbating in front of a large group of men. She should have no trouble finding an audience.

Photo by Husband

This hot little number is Jaime, a 25-year-old dancer from Fox Valley, Wisconsin. Her hobbies are reading, fishing and listening to classical music. She dreams of being pampered and showered with multiple orgasms. Note to potential suitors: that's a lower-case p on pampered.

Photo by Friend

This clean-shaven beauty is Destiny. She's a 23-year-old exotic dancer from West Palm Beach, Florida. Destiny's hobbies include horseback riding and sunbathing. Sorry, guys, but she's already had all of her sexual fantasies fulfilled by her husband.

Photo by Husband

A nurse by trade, but nasty by nature, is 20-year-old Brittany from Weirton, West Virginia. Her only listed hobby is barrel racing. Brittany aspires to "have sex while riding horses in the woods." We can only assume she plans on dismounting first.

Photo by Friend

The lovely Nicole is an entertainer from Dayton, Ohio. When she's not busy entertaining, this 24-year-old likes to watch sports, dance, fish and go boating. Her fantasy is to be covered with whipped cream and have a group of men slowly lick it off. Nicole looks like she'd make a great dessert.

Photo by Boyfriend

Cindy is a 25-year-old housewife and artist from Los Angeles, California. She likes to spend her free time dancing, painting and playing tennis. Cindy's favorite fantasy is to make love to her husband under a waterfall. Doesn't she paint a pretty picture?

Photo by Friend

Cassandra is a 34-year-old from Boston, Massachusetts. Her hobbies include nude sunbathing, music appreciation and long, slow lovemaking. She fantasizes about bringing home a single guy to join her and her husband for a night of passion. One night with Cassandra might not be enough.

Photo by Husband

Pamela, from Clermont, Florida, defies the stereotypes most people have about accountants. Pam's hobbies are interior decorating, working out and nude sunbathing. This 31-year-old has a recurring fantasy about trying out double penetration. Double your pleasure; double your fun.

Photo by Husband

Drew is a 30-year-old counselor from Houston, Texas. When she's not bareback riding and designing dresses, Drew enjoys watching car races. Her fantasy is to watch two men jack off on each other. Anybody want a session with this counselor?

Photo by Husband

Jocelyn, a 26-year-old teacher from Asheville, North Carolina, lists her hobby as "eating and looking for American pussy." With a body like that, she probably doesn't have to look too far.

Photo by Husband

Dolly hails from Woodbridge, Virginia. A 25-year-old secretary, Dolly likes to play tennis and spend time with her fiancé. She fantasizes about being licked all over. We hope she's not ticklish, because someone's bound to take her up on that.

Dolls

(continued from page 80)

I was forced to deflate Aphrodite mid-coitus. Afterward, feeling hurt and angry, I went back for a sympathy blowjob, but Aphrodite doesn't even suck dick. What a miserable, ungrateful bitch!

anyone willing to plunk down 60 or 70 yen toward the purchase of this doll: The same amount of money can buy the real thing at a venerable local massage parlor.

APHRODITE

Love Productions

Rating: 

Those tea bags at Love Productions obviously consider Aphrodite their crown jewel. She's a gorgeous doll; maybe because the traditional, wide-open mouth has been replaced with a tight-lipped pout. Her blond hair feels soft and real and falls over Aphrodite's piercing blue eyes in a becoming nod to the Jennifer Aniston look. The waterbed boobs that made Brigitte the Bra-Buster such a good time are back—and this time, the arms inflate to wrap around the fellow who climbs aboard.

Aphrodite's skin is a miracle of modern masturbatory technology. Somewhere between plastic and crushed velvet, the stuff is warm to the touch and altogether arousing. I found myself stroking the folds of Aphrodite's silky vagina before entering, with the lights dimmed and a sultry Isaac Hayes disc on the stereo.

Upon insertion, the party's over. Aphrodite's just too damn tight. When I

couldn't fit comfortably in her snizz, I settled on breaking off a piece of that Aphrodite ass. Big mistake. Her poop chute was so constricted, I damn near couldn't withdraw. The folks at the Urgent Treatment Center are used to pulling me out of some pretty tight scrapes, but this was simply too embarrassing. I was forced to deflate Aphrodite mid-coitus. Afterward, feeling hurt and angry, I went back for a sympathy blowjob, but Aphrodite doesn't even suck dick. What a miserable, ungrateful bitch!

Some might argue that Aphrodite's advanced design, along with the emotional response she stirred in this reviewer, makes her closer to an actual woman than any other love doll on the market. In this case, the potential buyer is advised to save his money, bypass the massage parlor and head straight for a decent therapist.

GREEK GODDESS

International Xtasy Girls

Rating: 

Thank heaven—or, rather, the Goddess—for International Xtasy Girls. At a time when my faith in love dolls was badly shaken, along came Greek Goddess to restore one man's belief in the redemptive power of a rubber buttole.

I can't help grinning when I think about Greek Goddess in her head-down, butt-in-the-air position. Her Kewpie-pie face, turned back an unnatural 180 degrees, calls to mind Linda Blair's vomitous *Exorcist* hat trick. Once Greek Goddess has been mounted, her neck-breaker pose allows for appealing eye contact. This is one thoroughly thought-out blow-up butt monkey.

Greek Goddess is also great on her back, with her arched legs writhing in the air. Her twat is nearly inaccessible in any position, but let's be honest: Who's going to notice?

Greek Goddess's unique all-fours design makes her sit quite snugly in the front seat of a car. She can be taken to movies, church and backyard barbecues. Lay the Goddess on her side, and she is perfect to curl up with on a winter's night.

After two hot and heavy weeks, my steady inflatable hump reeked like a piss-drenched shower curtain. A quick peek inside Goddess's nethers revealed a stink-pulsing honeycomb of glassy, petrified splooge. No problem: I douched her clean, and now I nut on her face.

* * *

Although Calvin Moore is now a self-described "monogamist," his ongoing relationship with Greek Goddess still calls for him to keep abreast of cutting-edge onanism. "It's like that old joke about the fleshy part surrounding the vagina—the part called a woman," sighs Moore. "There are times when even an artificial girlfriend is too much. A guy just wants a hole to come in."

A recent Nasstosy creation, the Living Doll, has been keeping Moore jizzy. "Brilliant in her simplicity, the Living Doll is a scale-model female torso with no arms or legs. Where the head should be, a tube runs to a bulb-style pneumatic hand pump. At the bottom of the doll is a large, well-oiled opening. The penis is inserted into the doll, which is then pumped to the user's liking. One or two pumps result in a loose, sloppy screw; six to eight pumps will form-fit the latex interior into the tightest fuck you've had since junior high. Then a dial starts the doll vibrating. It's as if the inventor went to get his blood pressure taken and thought the black-velcro arm piece looked like a good place to stick his dick."

The mind of the male animal works in mysterious ways. As long as there are lonely guys with too much time and latex on their hands, there will be startling developments in the love-doll realm.

"You may think I'm pathetic," adds Moore, tucking Greek Goddess into bed for a well-deserved rest, "but, hey—at least I'm getting some." 

"Once a year, I act like a politician. I fuck the homeless."

Do you envy men who have large penis size, like 8, 9, or even 10 inch erections? Envy no more! SIZEMASTER may be for you. Maybe you won't get 9-10 inches, but you'll swell to the maximum possible. Gentle suction massage makes the amazing difference.

Compare SIZEMASTER to units costing twice as much and more, even \$60 electric models. Yet SIZEMASTER is only \$13.95 and has a 30-day money-back guarantee. Amazing offer... amazing product! Won't she be surprised & delighted! Ask your doctor about SIZEMASTER. Sold as a novelty only.

NOTICE: The U.S. Post Office, without clinical tests, has forbidden the claiming of permanent penis enlargement, and we make no such claim. But after 10 years and half-a-million sold, we have less than 1% dissatisfaction. And with a 30-day money-back return privilege, you have no risk. So you be the judge. Order today from...

THE NEWEST, MOST LIFE-LIKE Solid ORIENTAL FUCK DOLL

Advanced technology produces a new level of realism and sensual pleasure never before experienced!

THE NEWEST, LATEST MODEL - The "love doll" has really evolved over the years - from the crude but functional "artificial vaginas" of the early sixties, through the breakthrough "foam" dolls of the seventies to now - the most technologically superior sex partners ever created!

May we introduce... **JOY-LI**
 "Very affordable, very VIRGINAL in design..."

If you've never had a love doll, or your budget is limited, or you're simply looking for the best value for your money, our newly released model of the most popular love doll design in history is just the ticket. Petite, young looking **JOY-LI** is the spitting image of a very famous porn star - with strict attention to those "important" details: silky soft, supple skin; voluptuously curved in all the right places; with firm, hard nipples, breasts, a succulent, "deep throat" mouth; extra-snug "cherry" vagina, and super-tight anal opening for backdoor thrills beyond belief. The best buy - definitely the way to go if you want hour after hour of endless pleasure and complete sexual satisfaction! **only \$14.95 OR**

The Deluxe Model - comes with everything.
 1. Seduction costume for the ultimate turn-on.
 2. Electronic pussy to caress your cock.
 3. Talking unit, she'll purr, scream & moan as you ram it deep inside.

The only complete penis enlargement system that includes
step-by-step instructional video and magazine used successfully
for 25 years with more than 10 million satisfied customers.

The soft, small penis is only
about 3 inches.

The penis is now about 5
inches, about 40% of his
maximum potential.

The penis is about 9 inches
or about 80% of his
maximum potential.

The penis is removed from
the pump and is now a full
12 inches.

Here is why our complete penis enlargement system
works where others fail.

A complete penis enlargement system should include an instructional video and magazine. The easy to follow step-by-step instructions shows you how to use the penis vacuum pump. You will see how other men succeed so you can be successful with your penis pump.

Our deluxe super vacuum pump creates more vacuum than any penis pump available anywhere at any price. It is the vacuum that is created in the clear cylinder that expands and enlarges your penis thicker, harder and longer than you ever dreamed possible.

There are 3 other pumps available from mail order dealers that do not create the vacuum you need to be successful.

1. The squeeze bulb pump - a small inexpensive foreign import that uses a little bulb you squeeze but *does not create enough vacuum to enlarge the penis.*

2. Pump and prolong ring combination - This type of pump *does not create enough vacuum to enlarge the penis.* A hard plastic ring is squeezed on the penis to try to maintain a semi-erect penis. The ring can actually restrict blood flow to the penis.

3. The electric pump-various models sell for about \$35 to \$100. This is a converted fish tank aquarium pump that has been changed to suck air instead of blowing bubbles. A small motor that gives you vibrations and massaging but *does not create enough vacuum to enlarge the penis.* To be successful you need our "made in the U.S.A." deluxe super pump with the extra long 10 inch remote plunger piston assembly.

Men report enlargement up to 9, 10, and even 12 inches is possible. Watch your penis grow thicker, fatter, stiffer and longer when you use the world's largest selling penis enlargement system sold directly to you from the manufacture.

"My name is John West. I'm an actor in adult movies. Thanks for making the most fantastic pump I've ever used. Your pump and only your pump gives me the erection I need, when I need it. I really enjoy those extra inches and the girls in my movies really love my thicker, stiffer, longer penis. The pump is so good I never need a prolong ring or cock ring to stay hard as long as I want."

Do not accept any substitutes. This is the original complete penis enlargement system. Successful results for 25 years with more than 10 million satisfied customers!

Waste

(continued from page 116)

"In 1988, the DOE predicted that with 15,600 shipments, 70 to 310 accidents would occur. Each nuclear-waste cask would carry as much radioactive material as 200 bombs of the sort dropped on Hiroshima."

the sites where it's created," explains Lee Dazey. "The stuff would travel across roads and railways, through 43 states and affecting 50 million Americans who are within two miles of the routes. In a scenario in which a cask is breached and the waste caught fire, the radiation could easily take out an entire city."

The DOE refuses to do a transportation study until a site is officially selected. The Nuclear Waste Project office has completed an assessment, based on DOE methods and data. Joe Strolin sums up the results: "Communities all over the country are going to be impacted—not just in Nevada.... Transporting the waste will impact major population areas because that's where the interstates go, and that's where the railroads go."

Reinard Knutsen of Action for Nuclear Abolition is more specific. "There will be between 15,600 and 60,000 shipments, depending on how much waste they actually decide to move to Yucca Mountain," Knutsen says. "In 1988, the DOE predicted that with 15,600 shipments, 70 to 310 accidents would occur, according to their statistical analysis. That's involving high-level waste. Each nuclear-waste cask would carry as much radioactive material as 200 bombs of the sort dropped on Hiroshima. The worst-case scenario they came up with, where a nuclear-waste cask was exploded in a fire, could contaminate 42 square miles. To illustrate, 42 square miles could easily span downtown Las Vegas, where every single radioactive shipment will pass through, and all the way up to the Strip, which usually has between 250,000 and 500,000 tourists."

Scott Peters of the Nuclear Energy Institute responds: "Could is the operative word. I can make a *could be* out of almost anything."

"We've taken the truck casks and train casks that will be used, and we've hit them with locomotives going 80 miles an hour," he says. "We've rammed them into a concrete wall at 60 miles an hour. Put them in a pool of jet fuel and burned them for a couple of hours. We've dropped the casks on a 30-foot steel spike. We did all these torture tests on these casks to see if they could withstand any foreseeable accident. So far there has never been any problem."

Lee Dazey of Citizen Alert worries about a potential transport danger beyond simple accidents: "With the rash of terrorist activity, people are concerned about how vulnerable these nuclear-waste casks would be to terrorists. There have been tests conducted where [the casks] were easily penetrated by hand-held weapons and tank guns."

The Nuclear Energy Institute's Scott Peters admits that tank guns have punctured the transport casks, but minimizes the contamination threat. "You might release a small amount of radioactivity; but no more than you'd get from an X-ray."

Fully aware that modern terrorists pack explosives far more destructive than any hand-held weaponry, Nevadans remain unconvinced by the Nuclear Energy Institute's confidence.

Nevertheless, the nuclear industry is unrelenting. "You would expect [opposition], sure," says Scott Peters. "It's been an obstacle, and it will probably always be an obstacle. But, sooner or later, they're going to have to start moving the stuff; that's why we're pushing so hard for the interim storage facility—so they'll have someplace to take it. We'd rather make it all in one shot out to the Yucca Mountain area and, assuming Yucca Mountain is approved, just move it over."

Reinard Knutsen observes that the nuclear industry is adamant about moving the waste from the reactor sites because "they're running out of room. They need to move the waste they've already made out of the way so they can make more."

This enrages Nevadans, who don't produce any of their own civilian high-level waste. "The problem is, there's no guaran-

tee that a repository at Yucca Mountain is ever going to be built," points out Joe Strolin. "We look at it as a ruse to move waste to a Nevada aboveground facility without really anticipating that it will move any further than that. There's a saying in the nuclear industry: Once waste is moved somewhere, it never gets moved again."

* * *

After years of high-handed concealment and lying, the DOE is feeling the squeeze of its past promises. The decision whether to go ahead with the Yucca Mountain repository will probably be political, not scientific. The taxpayer winds up paying on both sides: through taxes to the DOE and through electricity rates to the nuclear-power industry.

But money isn't everything. The real price is brewing within casks of lethal nuclear waste, speeding around the nation's highways and railways, through its cities and towns. Dangerous radioactive particles left over from weapons testing and other emissions coat the surface of the Earth, tainting our water and food supplies.

Next time you go hunting, think about this: Did your duck come down the Pacific flyway and spend last week feeding in the waters at Hanford? As Paige Knight puts it, "We're all in this together, like it or not."

"Hello, CNN?! This is Ben L. Tardle, and I have a ferocious boner! Send a crew!"

SKULLY

BED

PHOTOGRAPHY BY GEOFF HOWES

Working her latest case has put Dina deep under covers. Tracking a superhuman fiend with the ability to make women climax to death, Skully calls upon all the advanced sexual training she received at Quimtico.

Is she aware of the danger? Can she blow her lover without blowing her cover?

"I'm enjoying the case," reveals the secretive and seductive operative. "My partner, Molder, would rather stargaze than lay a hand on my celestial body."

Dina was eager to delve into this Sex File and mount a personal investigation.

"I'll be all over this perp till he comes clean."

ENLARGE YOUR PENIS TO ITS MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

THE EXCELO IS THE ONLY PENIS DEVELOPER YOU WILL EVER NEED!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count; but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to **INCREASE PENIS SIZE and THICKNESS!** The device is called the **EXCELO ELECTRIC VACUUM ENLARGER**. A safe and proven natural way to add inches to penis length and thickness. With the EXCELO, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE EXCELO ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. **BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD** and you have a correspondingly longer, thicker penis. Regular use of the EXCELO gently urges the caverns to expand... expand... expand. You'll see the astonishing results the first time you use your EXCELO. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG**... how really **FAT**... how **LONG**... how **HARD** and **STIFF** your own penis can get! And after regular sessions with the EXCELO you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

THE EXCELO IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of \$100 - the EXCELO is "quiet as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. And, of course there are two other models available - to fit any budget. The EXCELO is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONGER** and **THICKER**. If you are truly serious about penis enlargement - the EXCELO will do the job for you!

THE ONLY SYSTEM THAT OFFERS AN EASY "HOW-TO" BOOK FOR THE MOST COMPREHENSIVE INSTRUCTION POSSIBLE!

Other so called enlargement systems might offer a shoddy, pieced-together hodge-podge book to show the product in action. **NOT OUR SYSTEM.** Our book was produced by the manufacturer of the pump, designed to get you **BIG** and **HARD** in the shortest time possible!

ALL THIS... WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all the EXCELO System does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system is a truly unbelievable bargain at the prices offered.

HUSTLER

PORN ON THE FOURTH OF JULY

HUSTLER's July 1997 Anniversary Issue celebrates the birth of the greatest nation and hottest magazine on Earth with a revolutionary army of free-loving Honeys who fight for their right to bare arms, bare legs, bare tits and bare pink-hot slices of American hair pie. A down-home cowgirl shows off her milk shakes and offers a taste of her salt lick; a motorcycle mama commits a moving violation; a smooth-shaven sweetheart invites us to salute her young glory; a wild child explores her dark nature; two nympho lesbos, locked down in the slut house, go pussy crazy; an incorrigibly horny bank robber cases her partner's joint until he cracks her safe wide open. HUSTLER in July shoots the works. Come and launch a rocket.

FOUNDING FATHER

Before *The People vs. Larry Flynt*, before Jerry Falwell and the Supreme Court, before Jackie O. and Gloria Steinem, Larry Flynt was already hustling his way to the top. From his dirt-poor Kentucky roots to the notorious HUSTLER Clubs to fame and fortune as America's most controversial magazine publisher, Larry Flynt's life is the stuff of legend. Now, in an excerpt from his new book, *An Unseemly Man* (Dove Books), Larry Flynt tells his real story in his own words.

CHASING THE AMERICAN CREAM

At Las Vegas's Consumer Electronics Show, porn's grandest gathering, Elsa the Norwegian she-Viking made her play for triple-X stardom. From schmoozing Max Hardcore's crew to fielding passes from NFL stars to taking a doomsday ride in the Electric Dildo Chair, Elsa's blue-screen audition is a trial-by-ordeal initiation. In *Beaving Las Vegas: The Making of a Porn Star*, Entertainment Editor Evan Wright rides through the desert with a hole with no name and finds out if Elsa's ready to play big-league balls.

PATRIOTIC BOOTY

The people have spoken! HUSTLER crowns 1997's *Beaver Hunt* Grand Prize Winner. With this dairy queen's farm-fresh fuzzy, the cards were plenty stacked. Also, *Sex Play*'s Alex Marvel hosts a celestial choir of celebrities in "How HUSTLER Saved My Life: An All-Star Tribute." July's HUSTLER is a birthday gash bash, celebrating 23 years of life, liberty and the pursuit of pussy.
